PROGRAM INFORMATION

Be aware that, for the B.S.Ed. degree, you must have the following:

- a grade of at least B for the English foundation requirement (ENG 105 or equivalent) (If you don't receive a 3.0, you may complete an additional writing course, at the 200 level or above, with at least a B, to meet this requirement.)
- a grade of at least C for the mathematics foundation requirement (generally MAT 110, 114, 125, or 155)

* Please note that this path to graduation can be accelerated by study abroad and/or summer classes, thus allowing a Spanish education student to begin their career with SPA 101 or SPA 102. Please see an advisor before your first semester for proper consolation.
**This course is required for Arizona certification, not graduation. May be waived bye examination.

Students may not use SPA prefix courses to meet any liberal studies requirements.

Students may only take lower-level SPA courses if you have not already taken advanced SPA coursework. For instance, after you've completed 200-level SPA courses, you can't take SPA courses at the 100 level; after completing 300-level courses you can't take 100 or 200 level courses.

Students must earn a grade of C or better in any course they wish to apply towards their major in Spanish.
