**PURPOSE**

**TRV 500-01: Introduction**

<p>Northern Arizona University is a decentralized environment in which travel transactions are initiated, transacted and recorded at the departmental level. Authority to approve travel expenditures and associated absences is administered at the local level. These policies are intended to provide guidance on the administration of these tasks. Specific items in the policy are set forth to meet systemic and administrative deadlines.</p> <p>In a decentralized environment, many responsibilities lie at the department level. Specifics on the tasks required by those with roles in the travel process, including the department leadership, travel specialist and traveler, are outlined in <a href="#">TRV 510-01: Responsibilities in the Travel Process policy</a>.</p> <p>The NAU travel policy is the guideline for all necessary and required travel to conduct the business of the university. This travel policy addresses issues related to all university travel expenses. The NAU travel policy is implemented to ensure:</p> <ol style="list-style-type: none"><li>1.
