

Recycling in your building

Congratulations! Your building is part of a select few receiving a recycling and waste upgrade. Here is what you need to know:

- New blue recycling bins and black mini waste bins in offices.
- Large lobby bins, and medium sized recycling and waste containers in common areas and outside classrooms.
- Office occupants will empty their own mini waste bins into common area waste bins.
- Custodians will service office recycling and common area waste and recycling.

What's Recyclable?

Paper

- Office paper, newspaper, cardboard, cereal boxes, magazines — grease free

Plastic

- All plastic bottles & containers — clean, empty, lids on

Metal

- Steel, tin, & aluminum cans & foil — clean, empty, no wire hangers

What's Trash?

- Cups, napkins, waxy items
- Bags, wraps, styrofoam, or compostable plastic
- All food waste
- Glass
