PROGRAM INFORMATION

A minimum of 120 units are required for this degree.

All business majors must complete a minimum of 44 units of coursework outside of The W. A. Franke College of Business (FCB).

Many business students will need one or more prerequisite courses (MAT 101X, 102X) before enrolling in MAT 114. The course the student should begin with is determined by taking the Math Placement Exam or by ACT/SAT scores.

*Business majors must complete 9 units of FCB General Academic Requirements (GAR) consisting of 3 units of Critical Thinking, 3 units of Ethics, and 3 units of International. Consult degree progress in LOUIE, the Academic Catalog or an academic advisor for approved GAR courses. Because some courses may be used to fill multiple requirements, students should consider the FCB GAR and University diversity requirements when selecting liberal studies courses. Students may NOT use the same course to fulfill the University diversity requirement and the FCB international GAR. Using a course to fill multiple requirements does not reduce the total number of units required for graduation, but it does allow for additional electives.

**MGT 300, MKT 333, and MGT 350W (Junior-level writing requirement) may be taken in an integrated format called BizBlock. BizBlock is REQUIRED for Management majors. BizBlock courses are designated as MGT 300I, MKT 333I, and MGT 350IW.

***Some courses are only offered once a year. Check with the Office of Academic Services about term-specific courses.

The Business Professional Program Checklist

The goal of the business students during their first four terms is to complete the foundation courses for the College's majors. Satisfactory completion of the lower-division (100 and 200-level) coursework is required before the student begins to take upper-division (300 and 400-level) business courses in the professional program. In general, the junior-senior years constitute the professional program of the undergraduate catalog. The following criteria must be met before you begin the upper-division courses in the professional program:

- 2.0 Cumulative GPA
- 2.75 GPA and a minimum grade of C in: ENG 105; MAT 114, 119; CIS 120; ACC 205, 255, 256; ECO 201, 284, 285
- 56 Units
- Completion of 6 Pathways Co-Curricular Activities

GENERAL INFORMATION

- This degree progression plan is to be used in conjunction with the academic catalog and degree progress report.
