#### **PROGRAM INFORMATION**

You may use individualized coursework toward your Psychology Degree with prior written approval from your Psychology Faculty Advisor and the Psychology Department Chair and may use only individualized coursework with a PSY prefix. Individualized coursework includes the following: PSY 408C (Field Work 1-12 units maximum), PSY 485 (Undergraduate Research 1-6 units maximum per term and a maximum total of 12 units), PSY 497 (Independent Study 1-6 units maximum) and PSY 466 (Legislative Internship 1-12 units maximum). Additional units over 6 units of PSY 466 and PSY 408C may be used to fulfill general electives.

All 41 units required for the major must be earned with a grade of "C" or higher. Of the 41 units required for this major, 15 units must be upper-division (300-400 level) courses. In addition, you may not use individualized coursework to meet this 15-unit upper-division requirement. You may count only 6 units of individualized coursework within the 41-unit major. In addition, at least 15 units of the 41-unit major must be from courses offered by NAU. These 15 units may not include individualized courses.

You are required to complete a Senior Capstone for your major. There are several capstones to choose from which may have specific pre-requisites. Discuss your choice with an Academic Advisor early in your academic career.
