

Call for SDPI Posters!

The National Indian Health Board (NIHB) invites Special Diabetes Program for Indians (SDPI) grantees to submit proposals highlighting the accomplishments of their programs to be presented during the 5th Annual NIHB National Tribal Public Health Summit, “*Building Healthy Native Communities: Knowledge, Tools, and Know-How*” from March 31-April 2, 2014 in Billings, Montana.

Posters should include:

- An overview of your SDPI program
- Data or testimonials demonstrating the success of your program
- Pictures showing your program

Space is available for up to 30 posters to be featured at the summit.

Interested grantees should submit a brief description of your program and outline of your poster to NIHB by March 3, 2014.

If you have any questions about the SDPI poster session or want to submit a proposal, please contact Jordan Marie Daniel at jdaniel@nihb.org or (202) 507-4081.
