

NAU Near You Alumni Chapter Program

Chapter Activity Spotlight Form

This is a form for submission *after* an event/activity to ensure chapter activities are showcased to the entire NAU alumni family. This is important for the both the chapter and the Office of Alumni Engagement as this is how we track and measure the success of our chapter. This is also helpful to other chapters as they plan events in their cities, and it helps to generate excitement about participation in an NAU alumni chapter.
