Thank you for your interest in joining the 2015 NAU Drumline! Please take the time to read this packet carefully as it contains important information for a successful audition and season.

Mission Statement
The Northern Arizona University Drumline strives to facilitate the growth of musical percussionists by creating ensemble cohesiveness while improving individual playing and to nurture a culture of camaraderie and teamwork within the section. Our playing and our attitudes should create a reliable source of positive energy for each other, our fellow band members, the football team and the Lumberjack fans.

All: Individual auditions will last 5-10 minutes. Please be prepared to perform all requirements with an amplified metronome while marking time. Also, please think of choosing a secondary instrument on which to audition. Space is limited and your first choice may not be available.
