Revised Jan 2016
This four year plan is to be used in conjunction with the academic catalog and degree progress report. Students should see an academic advisor regularly to confirm their academic progress. Honors students complete different requirements to meet NAU’s liberal studies program. Students should consult an Honors Program advisor for fulfilling Honors Liberal Studies requirements.

PROGRAM INFORMATION

The NAU Dental Hygiene Program is fully accredited by the American Dental Association Commission on Accreditation. NAU's program is the only Dental Hygiene program in the state of Arizona that offers a B.S. degree upon completion of the program. Submit applications by the deadline for admittance. See the application information and deadlines at the Department of Dental Hygiene website. http://jan.ucc.nau.edu/~dhpl. Students selected for the program are notified in April.

APPLICATION PROCESS
The Dental Hygiene program at NAU adheres to a 2+2 curriculum, where two terms of prerequisite coursework are combined with seven terms of dental hygiene coursework at NAU. Students must have completed (or be in the process of completing) 40 units of coursework prior to applying to the program. The program’s prerequisites are listed in the degree progression plan as the courses to be taken during the first 2 years.

The application, tips to completing the application, and criteria for scoring the application can all be found at the Dental Hygiene website. http://dh.nau.edu/completion/index.php

DENTAL HYGIENE MILESTONE
Students must complete the Dental Hygiene Milestone, which is the acceptance into the Dental Hygiene program, prior to taking Major Requirements for the plan.

GENERAL INFORMATION

• This degree progression plan is to be used in conjunction with the academic catalog and degree progress report.

• Students are encouraged to see an academic advisor regularly to confirm their academic progress.

• Many courses have pre-requisites. Please check the academic catalog for pre-requisite and placement information. http://www4.nau.edu/academiccatalog/2005/academiccatalog.htm

• Some courses are only offered once a year (Fall term only or Spring term only). Some of these courses may be pre-requisites for future courses. Please check with your advisor for current course rotations.

• Honors students complete different requirements to meet NAU's liberal studies program. Students should consult an Honors Program advisor for complete information on fulfilling Honors Liberal Studies requirements.

• All students are required to complete a minimum of 123 total units which includes:
  • 35 units of liberal studies courses: http://www4.nau.edu/aio/LScourselist.htm
  • 6 units of diversity courses: (3 units in Global and 3 units in Ethnic): http://www4.nau.edu/aio/DiversityCourseList.htm

• Enrollment in the English foundations course for liberal studies is based off of student SAT/ACT scores or incoming transfer/test credit, otherwise the student must take the English Placement Exam: http://testing.nau.edu/exams/placement.html

• Enrollment in the Math foundations course for liberal studies requires students to take the ALEKS Math Placement Exam: http://www.cefns.nau.edu/Academic/Math/studentInformation/Placement/Placement.shtml
