Parking Guidelines

- The Dental Hygiene Department issues parking passes to our patients for the day(s) of their appointment ONLY.
- The parking pass is good for the entire day.
- You may ask for your parking pass to be mailed to you in advance.
- You may park in AE or Patient Parking ONLY. Please see the parking map.

  - We are building #66 The Health Professions Building.
- A refund will not be issued for an unused permit.
- A replacement fee will be assessed for a lost permit.
- A permit does not ensure availability of parking near destination, but grants the privilege of parking when space is available.
- A permit is valid only for the area(s) designated
- A permit is not valid for student, staff, or faculty use.
- A permit is not valid at stalls designated as pay by space, service vehicle or loading zone, or as restricted by any posted sign.
- A permit cannot be altered or changed in any manner by the department employee issuing the permit, or by the guest.
- A permit must be placed on the passenger side of dashboard with date display face up, and the entire permit displayed at all times.
- A permit must be displayed in its entirety on the passenger side windshield when parked.
- For a department permit, a permanent marker should be used to fill in the valid date(s) for maximum of three consecutive business days. Do not issue empty dated permits.
- A government vehicle displaying a government license plate does not require a permit.
- A citation issued must be paid or appealed by the person who received the citation, NOT by the department.
