UGC Review Subcommittee Agenda
January 19, 2011, 3:00 – 5:00 PM
Graduate College, Ashurst (Building 11), Room A 109

1. Curriculum Change—W.A. Franke College of Business
   a. FCB Course Deletion Documents (19 in all)
      i. CIS 510—Enterprise Database Concepts. Course Deletion.
      ii. CIS560—Configuration and Management of Enterprise Systems. Course Deletion
      vi. CIS 610—Application Development. Course Deletion.
      viii. CIS 625—Topics in Information Systems. Course Deletion.
      x. ECO 586—International Economics. Course Deletion
      xi. ECO 655—Economics of Public Policy. Course Deletion.
      xii. FIN 531—Investment Management. Course Deletion.
      xiii. FIN 551—Cases in Corporate Finance. Course Deletion.
      xv. FIN 600—Graduate Seminar in Finance. Course Deletion.
      xvii. MGT 550—Public Management. Course Deletion.
      xviii. MGT 600—Graduate Seminar in Management. Course Deletion.
      xix. MGT 622—Personnel and Management Relations. Course Deletion.

2. Curriculum Change—College of Engineering, Forestry, and Natural Sciences
   b. M.S. Engineering Integrated Bachelor/Master’s Program. Request.
   c. Master of Engineering Integrated Bachelor/Master’s Program. Request.
   d. ME 535—Wind Energy Engineering. New Course (Co-convened w/ ME 435).
   e. ME 575—Adaptive Materials and Systems. New Course (Co-convened w/ ME 475).
   f. EE 570—Biomedical Engineering I. New Course (Co-convened w/ EE 470).
   g. PM 591—Managing Projects in the Scientific Enterprise. New Course.
   h. Masters of Arts in Science Teaching Plan Clean-Up/Restructure
      ii. SCI 689—MAST Portfolio. New Course.

x. SCI 662—College Science Teaching II: Planning and Assessment. Course Deletion.

xi. SCM Course Deletions.

1. SCM 521 Framework for Biology
2. SCM 522 Organization of Cells
3. SCM 523 Photosynthesis and Cellular Respiration
4. SCM 524 Fundamental Genetics
5. SCM 525 Basic Human Biology
6. SCM 526 Ecosystems and Environments
7. SCM 531 Basic of Chemistry
8. SCM 532 Energy
9. SCM 533 The Periodic Table and Bonding
10. SCM 534 Types of Matter
11. SCM 535 Chemical Reactions
12. SCM 541 Describing the Physical World
13. SCM 542 Forces, Work, and Momentum
14. SCM 543 Rotation, Harmonic Motion and Waves
15. SCM 544 Thermodynamics and Geometrical Optics
16. SCM 545 Electricity: Fields and Circuits
17. SCM 546 Magnetism: Fields and Induction
18. SCM 547 Electromagnetic Waves and Wave Optics
19. SCM 548 Relativity and Quantum Physics
20. SCM 549 Atomic and Nuclear Physics
21. SCM 593 Workshop
22. SCM 599 Contemporary Developments

k. Forestry Course Changes

i. FOR 525—GIS and Spatial Techniques in Forestry. Course Change.

ii. FOR 551—Fire Ecology and Management. Course Change.

iii. FOR 552—Forest Tree Diseases. Course Change.

v. FOR 582—Ecological Restoration Applications. Course Change.

vi. FOR 625—Applied Conservation Biology. Course Change.

a. M.A. English Plan Clean-Up/Restructure

4. Curriculum Change—**College of Social and Behavioral Sciences.**
   
   
b. SOC 608—Fieldwork Experience. Course Deletion.
   
c. M.A. Anthropology Plan Clean-Up/Restructure
      
      
      
iii. ANT 628—Gender Healing India. Course Deletion.
      
iv. ANT 528—Anthropology of Education. Course Deletion.
      
      
vi. ANT 551—Quaternary Archaeology. Course Deletion.
      
      
viii. ANT 566—Legislative Internship. Course Deletion.
      
ix. ANT 616—Southwest Ethnology—Non-Pueblo. Course Deletion.

5. Curriculum Change—**College of Education.**
   
      
      
ii. ECI 545—Teacher Leadership in Secondary Education. New Course.
      
iii. ECI 555—Marginalized Populations in Secondary Education. New Course.
   
b. EDF 601—Racism in U.S. Schools and Society: Investigating Whiteness and Constructions of Race. New Course. (Co-convened w/ EDF 401 and cross-listed with ES 601, described at 4.a. above—[click here to access].)
   
   
      
i. EPS 607—School-Based Interventions. New Course.
      
ii. EPS 640—Biological Bases of Behavior. New Course.
   
   
f. EPS 602—The American College Student. Course Change.
   
g. EPS 592—Community Counseling. Course Change.
   
h. M.Ed. Educational Specialties Restructure
      
      
ii. ESE 655—Advanced Assessment of Exceptional Learners. Course Change.
      
      
   i. Graduate Certificate in Culturally and Linguistically Diverse Special Education. New Plan.
   
   
      
i. ESE 554—Methods In Special Education: Low Incidence/Severe Profound Disabilities. Course Change.
ii. ESE 581—Advanced Methods And Assessment In Special Education: Autism Spectrum Disorders. Course Change.

   i. M.Ed. Special Education with Certification: Severe/Profound Low Incidence. Plan Change.
   
   ii. ESE 654—Assessment in Special Education: Low Incidence Disabilities. New Course.
   
   iii. ESE 526-- Foundations/Methods of Special Education – Secondary. New Course.

6. Student Issues. Evie García will present cases.

7. Agenda Items for Future UGC Meetings
   
   a. GRE
   
   b. Certificate Review

8. New business
