Duties and Responsibilities
   Back 2 Basics is a residential treatment program in Flagstaff for adults ages 18 and up. Our innovative model includes a traditional 12 Step focus, an emphasis on outdoor activities, and a variety of other therapeutic modalities. We’re seeking a public relations intern to help us get the word out about our work and attract new clients. Applicants should be adept at using words, video, photography and/or social media, and eager to contribute those skills to a program that’s helping to change lives. Solid command of Associated Press style is a plus. Interns should expect to spend around five hours each week attending and documenting our programs and events, and presenting the highlights through press releases and other means to a variety of media outlets. Please visit our web site to learn more about our program, at http://back2basics-soberliving.com/. Serious applicants should contact Roy Duprez at 928-814-2220.

FYI - Students must have a minimum of a 2.5 gpa (on a 4.0 scale) and be seniors in order to qualify for School of Communication credit.
