Admitted Transfer Jacks

Congratulations! You are in the home stretch...

At this stage it is very important that you start checking your NAU e-mail account frequently—this is how the university will begin to communicate with you. Items that are red are high priority; these must be completed to progress in the enrollment process. Items with an * may not apply to everyone.

Your application is in and you have been accepted. Now what?

- Accept my offer – http://nau.edu/Admissions/After-You-Apply/Application-Status/
- *Apply for on-campus housing if you wish to live on campus. - http://nau.edu/residence-life/
- Send in ALL transcripts for evaluation, remember this is a process and it takes longer than you think, the sooner you get them in, the easier it will be to process them. - http://nau.edu/Admissions/Getting-Started/Requirements/Transfers/ or http://nau.edu/Admissions/Getting-Started/Requirements/Transfers/
- Verify your Citizenship - http://nau.edu/Registrar/Citizenship/
- Pay the enrollment deposit - nau.edu/acceptmyoffer
- Submit immunization records - http://nau.edu/Medical-Services/Immunizations/
- Complete on-line orientation (note: Upon paying your enrollment deposit, you will receive the link for the Online Orientation via your NAU email account If you do not get the information, please contact NAU admissions. **You cannot move further in the process until this step is complete.**)
- *Take the ALEKS Math Placement Test  (The ALEKS test is required for all students who have not earned credit for a college-level math or statistics course or CLEP, AP, or IB, or took a college/university level math or statistics course and earned a “C” or better.) - http://nau.edu/CEFNS/NatSci/Math/Student-Resources/Placement/
- Contact an advisor - http://www.nau.edu/Transfer-Commuter-Connections/Advising-Checklist-by-College/
- Send in your final semester transcript

Done? Pat yourself on the back.

You’re a Lumberjack!!
