a. Students admitted for Fall 2015 or later will be assigned a Mathematics Placement Level based on specific criteria. For information please see NAU admissions requirements and placement for mathematics.

b. Visit nau.edu/military-veteran-education/ to complete this task.

c. Note: If you do not certify your classes, the VA will not be informed of your enrollment into school. No certification = no money.

☐ Register For Orientation

a. The university expects all new students to attend an orientation session. As a veteran or military member who is over 21 years old, you can complete the online orientation and a face to face three hour Veteran Student Orientation in place of registering for the 2 day Freshman Orientation.

b. The Veteran Student Orientation for Fall 2015 is on Friday, August 28th, 2015. Please call 928-523-8387 to register and to get the online orientation link. We also offer an optional Academic Jumpstart session after the Veteran Student Orientation. Sign up today!

b. Make sure to report any veteran/military benefits you will be receiving. Financial Aid is initially based on your previous year’s earnings. If this doesn’t accurately reflect your income at the time you will be taking classes, make sure to complete a financial aid appeal through the NAU Financial Aid Office to have your award reassessed.
