

Welcome to CCC2NAU!

QUICK START

1. Apply to CCC
2. Apply to CCC2NAU
3. Attend an Info Session
4. Meet with a CCC2NAU advisor
5. Register and pay for classes.

Getting started:

While it is only required that students be in the CCC2NAU program for one semester prior to their transition to NAU, we find students have the most success when they start the program as they are enrolling in their first semester of CCC coursework. This is the best way to maximize the program's benefits!

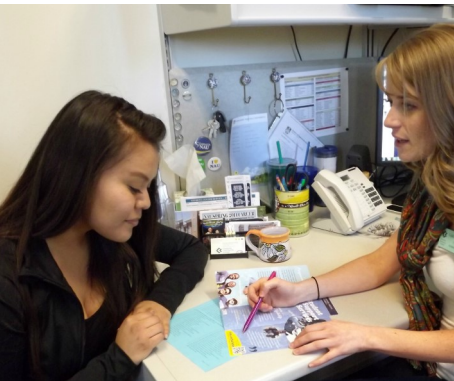

1. Apply for free to [Coconino Community College](#) by filling out the online application. If you have questions about the application process, call 928-226-4299.
2. Apply for free to [CCC2NAU](#); click on "how to apply." Take note that if you have already applied to NAU, you will need to use a different email address than the one you originally used to apply to NAU. Put in your expected dates of attendance.
3. Complete a mandatory [online](#) Info Session.
4. Make an initial advising appointment with a CCC2NAU advisor by calling 928-226-4323.

What to bring to your advising appointment:

- ⇒ A copy of your SAT or ACT scores OR
- ⇒ A copy of your English and math placement test scores ([placement tests](#) can be taken at CCC before your advising appointment)
- ⇒ Your official final high school transcripts and AP test scores if you have them
- ⇒ Official transcripts from any colleges or universities you attended prior to CCC (official transcripts are in sealed envelopes)
- ⇒ A{

Remember that CCC2NAU advisors see students on an appointment basis only. Be sure to make your appointment in advance by calling 928-226-4323.

You will be considered a "dual citizen" - a degree seeking student at CCC and a non-degree seeking student at NAU

*"My advisor went the extra mile to make sure I got my degree and transitioned smoothly."

What's next:

You will be sent two letters confirming your admission to both institutions. In the letters you will be given your NAU login and ID number and your CCC comet login and ID number. Follow the instructions to set up your student accounts at both schools.

Registration:

When registering for your classes, CCC requires that you first meet with an advisor to clear your mandatory advising hold. Registration also requires payment upon registration. Students can pay by cash, credit card, or through financial aid or tribal scholarships that have been awarded. [Tuition rates](#) are determined by [residency](#). There is also a [payment plan](#) available for students to pay in installments. Your advisor will work with you to select appropriate classes for your degree.

Special circumstances:

- ⇒ If you do not complete the required Info Session and do not meet with an advisor for an Initial Advising appointment, you will be removed from the program. You must enroll at CCC in the first semester you apply or you will be removed from the program. You have the option then to re-apply for a future term.
- ⇒ Are you coming from out of town? We recommend making your Initial Advising appointment with a CCC2NAU advisor on the same day as a placement test to maximize your visit.
- ⇒ Do you need accommodations through Disability Resources? Visit the [Disability Resources webpage](#) for more information about the services provided. You can make an appointment with the Disability Resources Coordinator, by calling 928-226-4323.

Well meaning parents, please encourage your students to take these steps themselves so they can own the process and grow in this next move to independence. Thank you!

If you have more specific questions, please call us at 928-226-4257

Financial Aid:

If you are submitting a FASFA to apply for financial aid, be sure to choose CCC as your parent institution. CCC's Title IV school code is 031004. For questions please call CCC Financial Aid at 928-226-4219 or email them at finaid@coconino.edu and please review our Financial Aid FAQs.

Scholarships:

CCC's foundation scholarship application opens in January each year and closes in early to mid-March. We encourage all CCC2NAU students to apply for scholarships as there are several scholarships earmarked for only CCC2NAU students. The application can be found on Financial Aid's [website](#).

Housing:

Good News! NAU campus housing operated by NAU Residence Life is back and available to CCC2NAU students starting Fall 2018. Log-in to NAU's [Housing Portal](#) starting April 15th. Students are encouraged to apply as soon as possible. Please review the CCC2NAU Housing FAQ's for more information. CCC students can also apply for housing on the NAU campus provided in partnership with a private vendor, [American Campus Communities](#). Please refer to [housing resources](#) for information about off-campus housing options.

We encourage students to explore housing options as early as possible and to include housing costs in your financial planning for college. Because Coconino Community College does not provide on-campus housing, this is one area in which students and families will need
