INTERNATIONAL FRIENDS
STUDENT PROGRAM 2013-14

IFriends is a one-to-one arranged friendship between NAU students from different countries, usually between an international and an American student. It is especially helpful for NEW students – so new students will be paired with returning NAU students. The returning student should act as a resource for NAU and U.S. questions, a friend, and an introduction to the NAU community.

After you complete this application (please write clearly!) return it to the Center for International Education (Blome, #2) or scan and email it to isss@nau.edu. Information from this form will help us match you with an appropriate partner. Partners are matched according to age, gender, languages spoken, and interests. IFriends should try to meet fairly regularly, and exchange contact information.

Name: _____________________________
(FIRST) (LAST/FAMILY)

Are you a/n: NEW NAU student? or RETURNING NAU Student? (Circle one)

AMERICAN student? or INTERNATIONAL student? Country? ____________________________
