- Org renamed
- Org created
- New Unit created
- New College
- New Div created
- BIS/BAS
- MADM
- Business (Yuma)
- NAU Yavapai
- NAU Yuma

Academic organizations represent administrative owners/reporting divisions and are associated with programs, plans, and subjects/courses/classes. Academic organizations are arranged in a hierarchical tree structure to represent administrative roll-ups. This roll-up structure, in turn, allows users to group and dissect data for reporting purposes. This organizational chart does NOT reflect internal NAU reporting lines for personnel. It is meant to reflect the academic structure as it exists within PeopleSoft.

NAU Defined Levels
Level 1: University
Level 2: Institution
Level 3: College
Level 4: Division
Level 5: Academic Unit
