Guidelines for Petitions to Add After the Deadline

Documentation below MUST be provided with petition. Petitions without documentation as stated below will be denied.

Petitions that do merit an exception to policy:

- Newly created class (Email or memo from the person/department stating that the course was created late must be attached to the form.)
- Cohort
- Personal Emergency (Example: Illness, family emergency)
- In the wrong class number (switching sections)
- NAU error (Example: Processing delays out of the norm, paperwork lost, staff processed request incorrectly) Email or memo from the person/department owning the error must be attached to the form.
- Student was dropped for non-payment. **Applicable for Summer and Winter terms only!**
  - Documentation requirement for students dropped for non-payment must be attached to the completed petition form:
    - From each course being petitioned, an email or memo on NAU letterhead from the instructor stating the following: Course, term, name of student, and the statement that the student has had continuous participation in the course.
    - Payment arrangements MUST be made immediately after the add is processed in order to remain in the class. If the student is dropped for non-payment, a new form will be required to re-enroll into the class.

Situations that DO NOT merit an exception to policy:

- Didn’t have money at the time or did not pay fee on time
- Wanted to see if I’d like the class
- Simply attended class and waited until after the deadline to add (Per NAU Faculty Handbook, faculty members must NOT permit students who have not completed the registration process to remain in the class.)
- Financial aid wasn’t guaranteed yet (*Students are responsible for securing payments and following up on their financial aid to ensure it will disburse on time*)
- Forgot to register or was not aware that the course was needed for graduation plan
- Did not have the class number or other information necessary to register
