has approved the reassignment of the Machine Shop to CEPNS. The Space Committee has recommended, and the President with the current discussions of the reassignment of the Machine Shop to CEPNS and the current reporting side of Building 24 to the area which currently holds the Machine Shop.

Since July, this area has been reviewed for relocation. Machine equipment is to be sold and current assets.

Revenue is insufficient to sustain its operations and personnel costs.

The Space Committee has recommended, and the President has approved the request for the reassignment of the Machine Shop currently located in Building 24 to your college. The Machine Shop was previously.
