

July 29, 2020

Dear Lumberjacks,

Last week, you all were made aware of the modified fall semester and move-in schedule. In that [July 24 email](#), I also shared that we are requiring all students who are living on campus be tested for COVID-19 before arriving in Flagstaff. We are strongly encouraging off-campus students to be tested as well.

Please visit the [Testing and Contact Tracing page](#) on the [Jacks are Back site](#) for more details, including what to do if you are not able to be tested before arriving. For additional information, including move-in updates, visit the [Student FAQs page](#).

In an effort to help keep our community healthy, we are asking all of our students to TEST, QUARANTINE, ARRIVE.

Thank you for doing your part. I look forward to seeing you soon.

Sincerely,

A handwritten signature in black ink that reads "Rita".
