

Office of the President

NORTHERN ARIZONA UNIVERSITY

April 3, 2020

Dear Students, Faculty, and Staff:

NAU continues to work with our statewide community college partners regarding facility availability at our NAU statewide locations. In that regard, we are forwarding information from Pima Community College regarding an extension of their facility closures through April: <https://pima.edu/news/coronavirus/index.html>.

As you are all aware, on March 12 NAU moved to online education and we updated this timeline for the remainder of the spring semester on March 16. In addition, while the Flagstaff Campus and NAU community campuses at North Valley and NAU Yavapai remain open to students, faculty, and staff, on March 18 NAU adopted a remote work policy and limited hours of operation of some buildings.

We will continue to share messages from our community college partners regarding the status of these campuses as we receive them and all updates, including those from community partners, are available on the NAU COVID-19 website: <https://nau.edu/coronavirus>. We want to take this opportunity to remind you of the recommended health and safety protocols as recommended by the CDC. The health and safety of all of our NAU communities remains our top priority.

Sincerely,

A handwritten signature in black ink that reads "Rita".

Rita Hartung Cheng
President
