

Michael Horn

[Michael Horn](#) speaks and writes about the future of education and works with a portfolio of education organizations to improve the life of each and every student. He serves as the Chief Strategy Officer for [Entangled Ventures](#), an education technology studio, and as a principal consultant for [Entangled Solutions](#), which offers innovation services to higher education institutions. He is also the co-founder of and a distinguished fellow at the [Clayton Christensen Institute for Disruptive Innovation](#), a non-profit think tank.

Horn is the author and coauthor of multiple books, white papers, and articles on education, including the award-winning book [Disrupting Class: How Disruptive Innovation Will Change the Way the World Learns](#), the Amazon-bestseller [Blended: Using Disruptive Innovation to Improve Schools](#) as well as the recently published companion book, [The Blended Workbook](#). An expert on disruptive innovation, online learning, blended learning, competency-based learning, and how to transform the education system into a student-centered one, he serves on the board and advisory boards of a range of education organizations.

He is on the board of [Fidelis Education](#), [Education Elements](#), [Noodle Partners](#), [Everest Education](#), the [Silicon Schools Fund](#), the [National Association of Independent Schools](#), the [Minerva Institute](#), and the [LearnLaunch Institute](#).

He serves as an advisor to [Intellus Learning](#), [Pedago](#), [Knod](#), [AltSchool](#), [Degreed](#), [Emotuit](#), [SchoolCNXT](#), [ReUp Education](#), the [Adult Literacy XPRIZE](#), and the [Hechinger Institute](#) on Education and the Media at Teachers College, Columbia University, and he is an executive editor at [Education Next](#). He is also a venture partner at [NextGen Venture Partners](#).

Horn was selected as a 2014 [Eisenhower Fellow](#) to study innovation in education in Vietnam and Korea, and [Tech&Learning](#) magazine named him to its list of the 100 most important people in the creation and advancement of the use of technology in education. Horn holds a BA in history from Yale University and an MBA from the Harvard Business School.
