SPECIAL PLACEMENT AND RECOMMENDATION AUTHORIZATION FORM

This form must be completed by students requesting a student teaching placement for International Student Teaching, Out-of-State Student Teaching, or the Student Teaching Intern Certificate program.

These individual program options may not be available to all student teacher candidates. Make sure to ask your advisor for more details.

Please indicate which type of placement you are requesting:

DoDDs/International Student Teaching

This is a highly competitive program. Requesting DoDDs/International Student Teaching does not guarantee a placement. Arizona districts are the only alternate option for International candidates. The following are some of the requirements for DoDDs/International Student Teaching:

- Candidate must have a cumulative NAU GPA of at least 3.00 at the time of application.
- Candidate will provide a rationale for consideration about why they would like this type of placement.
- All meetings are required and must be attended.
- Candidate will interview with the DoDDs/International Student Teaching Committee providing all requested information.
- Candidates will pay all travel and living costs plus additional fees for this program.

Out-of-State Program (OOS)

This is only available to Elementary, Special Education, and Early Childhood majors. Arizona districts are the only alternate option for OOS candidates. To be eligible for an OOS placement, the following requirements must be met:

- Candidate must have a cumulative NAU GPA of at least 3.00 in all coursework at the time of application.
- OOS placement requests must be included in the original Student Teaching Application or submitted to the Professional Education Programs Office by the Student Teaching Application deadline (March 15 for spring applications or October 15 for fall applications).
- Candidate must provide a rationale for consideration to student teach out of state. Approved rationales are: that the candidate is returning home, their spouse or significant other has a job or military duties in another state, or their Department has an agreement with an out of state district.
- All meetings are required and must be attended.
- The Statement of Understanding for OOS student teacher candidates must be completed and turned in at the initial meeting.
- The candidate will adhere to any district policies regarding student teaching placements (These may be in addition to NAU standard guidelines).
- Candidates will pay any additional costs that exceed the allocated amount for NAU cooperating teachers or university supervisors.

Student Teaching Intern Certificate (STIC)

This special program should only be followed if you plan on pursuing a teaching position for your program of study. PEP does not assist with the search process nor provide insight into districts for teaching positions. Finding, interviewing and securing a teaching position is the candidate's responsibility. If this is the candidate's intention, it would be appropriate to begin the process of obtaining a STIC program certificate.

Go to the website: <https://nau.edu/Provost/PEP/StudentTeaching/Resources/> Click on Student Teaching Intern Certificate and read through the information to better understand all parts. The procedure in the documents must be followed.
