

Curry Summer Music Camp

Release of Responsibility- Technology Use Form

By signing this document, I state that my child, _____, will be bringing his/her computer to the Curry Summer Music Camp for the sole purpose of completing online coursework in relation to a required class per the outlined curriculum of our school district. I release NAU Curry Summer Music Camp, Northern Arizona University, and all who are employed through NAU of any responsibility regarding the safety, theft, loss or destruction of the hardware. I also understand that NAU Curry Summer Music Camp strongly discourages bringing technology items of value onto campus, and agree that we are doing so on our own accord with no responsibility of any kind falling to the camp, camp employees or Northern Arizona University.

Technology is not to be used during regularly scheduled camp activities; by signing this document you agree that any coursework, assignments, or use will not interfere with the camper's involvement in scheduled camp courses. The camp director reserves the right to confiscate the computer, to be returned to the parent/legal guardian upon the completion of camp, should usage consistently interfere with camp activities, or become a distraction to other campers. Additionally, I understand the camp director reserves the right to confiscate the computer should the computer be found to be used in an inappropriate manner.
