Kenneth and Dorothy Lamm

This Fund is established by Kenneth and Dorothy Lamm (Founders) who believe deeply that study and travel outside the U.S. provides students with experiences that will affect their lives and careers for many years to come. They believe it is important for our future leaders to have a broad view of the world that only comes from experiencing other cultures and languages. The Lamms, originally from Wisconsin, moved to Flagstaff in 2004 to make their home and enjoy the vibrant, active, and intellectual community made possible, in part, by Northern Arizona University. As a young woman, Dorothy Lamm studied in Mexico City and that experience had a profound impact on her life. Later as a teacher she went on to take students on trips to Mexico.
