March 31, 2022

Dear Lumberjacks,

Today, I join our NAU community in celebrating Transgender Day of Visibility by acknowledging transgender people within our community and around the world.

I am thankful for the efforts of our Office of Inclusion: Multicultural and LGBTQIA Student Services in raising visibility and celebrating the strength, resiliency, and achievements of our transgender community. At NAU, our vision to promote individual and collective social and economic mobility through a transformational education is grounded in principles of justice, equity, and access for all.

To our Lumberjacks within the transgender community—we see you, celebrate your strength, and support your pursuit of a rich and fulfilling future.

Sincerely,

José Luis Cruz Rivera
President
