

Student Guide to Reading Your Graduate Academic Advisement Report (Graduate AAR)

Note:

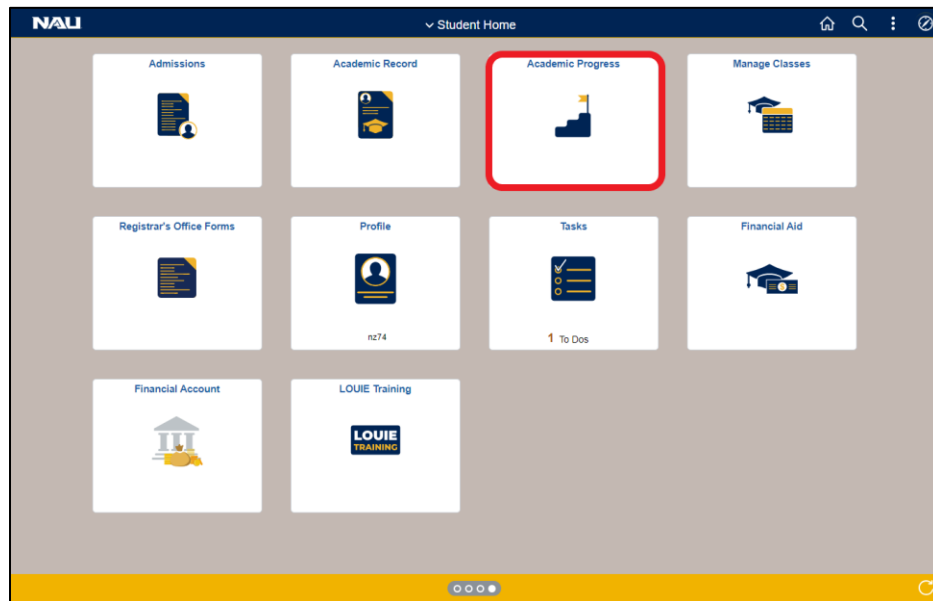

This guide is only intended for the following student populations:

- Students in a [first-wave program](#) graduating in or after Fall 2024.
- Students in a [second-wave program](#) graduating in or after Spring 2025.

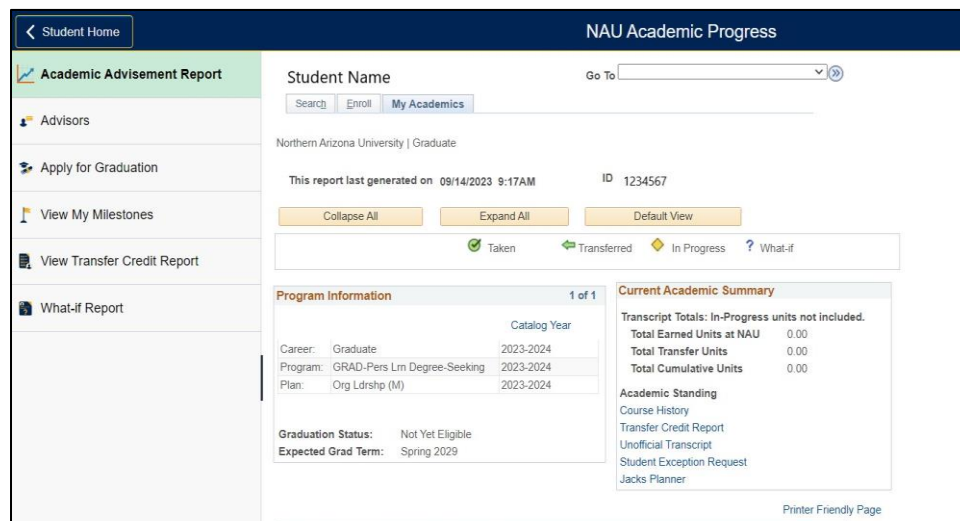

All other students should ignore their Graduate AARs.

Directions:

1. On [LOUIE](#), select **Academic Progress**.

2. Your **Academic Advisement Report** will populate.

- Verify the information under **Program Information** and **Current Academic Summary**, including your plan, subplan (if applicable), catalog year, units earned at and transferred to NAU, and cumulative GPA.

Your catalog year is automatically assigned based on your admission term. Requirements shown on your Graduate AAR will match your catalog year. Contact your advisor if you would like to move your catalog year to a more recent catalog.

- The remainder of your Graduate AAR will outline university and program requirements for graduation and track your completion of each requirement. Review each component to make sure the information is being accurately tracked.

Contact your advisor if you identify any discrepancies.

Understanding the Graduate AAR:

- The Graduate AAR for a brand-new student will be fully open, with each requirement showing as **"Not Satisfied: - "**.
- Each requirement will automatically collapse as you enroll in and complete courses, showing as **"Satisfied: - "**.
 - A green circle with a checkmark (✔) indicates that you have completed the course with a satisfactory grade.
 - A yellow diamond (◆) indicates that you are enrolled in the course but have not yet received a grade. If you do not receive a satisfactory grade, the requirement will automatically open again and show as **"Not Satisfied: - "**, and the course will move to the **"Coursework Not Satisfying a Degree Requirement"** section.
- To graduate, your Graduate AAR must be fully collapsed by the end of their graduation term, with all requirements showing as **"Satisfied: - "**.
