Tuition Waiver Allocation Cycle

All Year

February
• Graduate college meets with department deans and negotiates tuition waiver funding.
• Department deans receive allocation notification.

February-June
• Departments award tuition waivers to students from their February allocations.
• The allocations can only be awarded for the upcoming academic year starting in fall.
• The tuition waiver awarding process is autonomous for each department.

June 15th
• Tuition waiver allocation form must be submitted by end of day to GATW@nau.edu
• All tuition waivers for students enrolled in less than 9 units must come with an exception to 9 unit form

Mid-July
• Financial aid posts awards to students accounts.
• Awards will not disburse until the financial aid disbursement date.

July 1st
• Graduate college reports tuition waiver amounts to financial aid

June 15-July 1st
• Tuition waivers are processed by the graduate college.
• Unused tuition waivers are returned to the graduate college for re-awarding.

Spring reawards
Tuition waivers received by June 15 that were later rescinded only

October
• GATW will notify your department with funding for re-awarding
• Re-awards can only be used for upcoming spring or summer of same award cycle

Mid-December
• Financial aid posts awards to students accounts.
• Awards will not disburse until the financial aid disbursement date.

December 1st
• Graduate College reports tuition waiver amounts to financial aid

November 15th
• Tuition waiver allocation form must be submitted by end of day to GATW@nau.edu
• All tuition waivers for students enrolled in less than 9 units must come with an exception to 9 unit form

November 15th - December 1st
• Spring tuition waivers are processed by the graduate college.

The Monday before the first day of instruction. Tuition waiver disburses. Student is required to pay remaining tuition and/or fees.
