

**FOR 408 FIELDWORK EXPERIENCE
MID-WAY STUDENT EVALUATION**

To be completed by the student at the midpoint of your internship.

Student name:

Position:

Organization:

Dates covered by this rating: _____ to _____

1. Is this experience what you expected? Explain.

2. Is this experience meeting your needs of learning how agencies deal with issues related to managing natural resources? Explain.

3. Describe the independent project that you are conducting and assess your progress to date.

4. Is the supervision you're getting adequate? Is the organization providing a good work environment? Explain.

5. What contributions do you feel you are making at your worksite?

6. How can your fieldwork experience be more meaningful? Is there anything you can do to make it more meaningful? Is there anything that the School of Forestry can do to make it more meaningful?

7. What additional background experience/information do you think you should have had prior to your fieldwork experience?

8. Would you recommend this organization as a worksite to another student? Why or why not?

9. Anything else you'd like to comment on?

**Please return this form to your faculty mentor for this course or Student Services Coordinator.
