

Guest Parking at School of Forestry, Northern Arizona University

NAU manages all parking on campus including at School of Forestry (full details for campus here: <https://in.nau.edu/university-transit-services/maps/>). For guests visiting School of Forestry, please see the following for parking options.

Option #1 (free but longer travel): Park off campus and utilize the free campus shuttle.

Option #2 (works all hours): Use the app “[ParkMobile](#)” to park in the commuter lot (P62, zone 4692) for \$4/hr (prices subject to change), which is a quick walk from School of Forestry.

Option #3 (only works after 4:30pm): Purchase an evening permit through ParkMobile which allows parking in commuter or employee lots for \$5 (prices subject to change) per evening. This allows parking directly in front of School of Forestry in employee lot P46.

Driving Directions from Milton: Turn east onto McConnel Dr., take first right at stop sign onto E. Pine Knoll Dr. Commuter lot (P62) is accessible from the first two right hand turns. The employee lot (P46) and School of Forestry is left at the second stop sign.

Below is a map to help with directions. Please note that School of Forestry is located in the “SW Forest Sciences Building (#82)” in the eastern half of the building. Many events are held in the Yeon-Su Kim Auditorium (room #017), located on the bottom floor by the southeast entrance just off the main employee parking lot (P46).
