LISTSERV SUBSCRIPTION

We are delighted to provide our newest mechanism for reaching out to our public audience. We have created a listserv account called **PA Community**. The purpose of this listserv account is to offer a one-way form of communication with our public audience in an easy one-step fashion for department personnel to send messaging about upcoming PA events and announcements, outreach and recruitment opportunities, newsletters, etc. The service is self-subscribing and includes an ability to unsubscribe at any time.
