The following is a link to an interactive NAU Campus Map: <https://www2.nau.edu/nau-map/>

The PT Department is located on the first floor of the Health Professions building (Building #66), on the first floor. Coming from the parking lot on S Huffer, walk past the Nursing Building towards the back of the parking lot. You will see the Health Professions Building in front of you. To check in please visit rooms 102 and/or 103 located on your left hand side as you enter the building. If you have been instructed to obtain a parking pass from the department, please call (928-523-4092) ahead of time with your license plate number, make, and model of the car you will be driving so we can have a permit ready for you (otherwise, please see the parking map showing the locations of paid parking kiosks). We hope this information helps you find us easily!
