Dear Program and Institution Administrators,

I am pleased to inform you that the Commission on Accreditation of Athletic Training Education (CAATE) has voted to grant 10 years of Continuing Accreditation to the Professional Athletic Training Program at **Northern Arizona University**. At this time, your programs' accreditation status is *'Active-in good standing'*.

The next required comprehensive accreditation review for this program will be conducted during the 2031-2032 academic year, with a self-study due date of July 1, 2031, and an on-site visitation scheduled in consultation with the institution. Annual Reports remain due each year by October 1st and continuing compliance with all accreditation Standards remains an expectation.

The CAATE appreciates your ongoing commitment to quality assurance in Athletic Training Education. Please do not hesitate to contact the CAATE Office (512-733-9700) if we can be of further assistance.

Professionally,

Eric L. Sauers, PhD, ATC, FNATA
President
