Dear Dr. Rivera:

I am writing to inform you that the Commission on Accreditation (CoA) during its October 25-28, 2023 meeting conducted a review of the doctoral PhD program in Counseling/School psychology at Northern Arizona University. The review included consideration of the report of the verification site visit team that visited the program on July 10, 2023 and the program's response to the verification site visit report.

Dr. Robin Oatis-Ballew recused and therefore did not participate in the discussion and vote on this program.

I am pleased to inform you that no additional information pertaining to the verification site visit is needed at this time. As noted in the April 28, 2022 letter awarding full accreditation, the program's next site visit will be in 2031.

In closing, on behalf of the Commission on Accreditation, I would like to express genuine appreciation for your personal commitment, and the corresponding support of your administration, to develop and maintain the best possible quality of graduate training in psychology. If our office may be of service at any time on administrative matters of accreditation, please call upon us.

Sincerely,

Jacqueline Remondet Wall, Ph.D.
