

## Are there residence halls on CCC's campus?

- ⇒ No, but CCC2NAU students have the ability to apply for housing at NAU, a half mile away. NAU is pleased to provide this housing opportunity for CCC2NAU participants.

## How do I apply for housing at NAU?

- ⇒ Fill out the [online application](#) for CCC2NAU students on NAU's Residence Life website. You will need to have your NAU ID number, login, and password handy. This means you will have already filled out your CCC2NAU program application and received your acceptance letter in the mail. Your CCC2NAU acceptance letter will include your NAU login information.

## When can I apply?

- ⇒ The housing application for the Spring 2021 term is open.

## Is housing on the NAU campus guaranteed every year?

- ⇒ No, NAU Residence Life decides every academic year whether space will be available to CCC2NAU students based on the number of applicants of full-time, degree-seeking students on the university campus. That being said, CCC2NAU students are welcome to apply for housing at NAU as there is plenty of availability.

## How do I pay for housing with NAU Residence Life?

- ⇒ The student/parent will need to pay NAU directly for housing. CCC does not send financial aid to NAU.

## Will I get the same financial aid package at CCC that I got at NAU?

- ⇒ It depends. In general, Federal Student Aid including Pell Grants and Federal Direct Student Loans will be the same amount at CCC and NAU. However, scholarships, institutional aid and Parent PLUS Loans may vary between the institutions.

## Will NAU Residence Life hold my housing charges until financial aid is disbursed?

- ⇒ Housing rent charges are due by the posted due date. If you are receiving a financial aid disbursement from CCC, you may delay your payment until the day after CCC financial aid disburses though you may continue to receive additional rent payment reminders. NAU Residence Life has a list of all CCC2NAU students, and you will remain eligible for campus housing during this time if you have financial aid confirmed at CCC. Please contact NAU Housing and Residence Life directly if you have additional questions regarding rent payments.

## Do I have to be enrolled in a certain number of units to live in NAU residence halls? How will this be verified?

- ⇒ Yes. The minimum number of units is 12. NAU will request verification of enrollment from CCC.

## What parking permit do I buy if I am bringing a car to campus and living in the NAU residence halls?

- ⇒ Students will need to buy a parking permit at both CCC and at NAU. Vehicles cannot be parked overnight at CCC.

### Will I pay a different housing rate as a CCC2NAU student?

- ⇒ CCC2NAU students pay the same amount as traditional NAU students. Visit the NAU Residence Life [website](#) for housing rates.

### How do I pay for a meal plan?

- ⇒ The student/parent will need to pay NAU directly for their [meal plan](#) by the stated deadline. CCC does not apply financial aid to a student's meal plan. You will select your meal plan when you fill out your housing application. The NAU meal plan will not pay for CCC's campus café.

### How do I get an NAU ID card?

- ⇒ First clear your immunization hold by [uploading your immunization records](#). Next, email a CCC2NAU advisor for a voucher worth \$25 that can be taken to the JacksCard Office at NAU's University Union. The ID card allows students to enter their dorm and is how meal plan payments are swiped at campus machines. Students can also [purchase access](#) to a) the NAU Health and Learning Center and/or b) attend concerts, events and sports activities on the NAU campus. These are purchased on a per semester basis and are optional.

### Are traditional NAU students given preference over CCC2NAU students?

- ⇒ NAU is committed to placing all first-time full-time freshmen by the priority deadline. CCC2NAU students who apply and pay the housing deposit are guaranteed housing.

### Are CCC2NAU students placed together on NAU's campus?

- ⇒ CCC2NAU students are not housed together but treated like traditional NAU students in the housing assignment process. This means you will be living on a hall with traditional NAU students. There will be nothing to distinguish you from your hall mates other than the location where you are taking your classes.

### Can I select my own roommate?

- ⇒ Unfortunately, no. CCC2NAU students wanting housing for 2020-2021 are assigned after NAU's freshmen and will be notified in August of 2020.

### What other housing options do I have besides NAU Residence Life?

- ⇒ Click here for a list of [off-campus housing options](#) and housing through [American Campus Communities](#).
