Go back and fetch what was forgotten.

- **July 2020: A team of community leaders formed The Lived Black Experience CommUnity Coalition.**
- ✕ **Assembled to engage with law enforcement, local government, & small businesses to connect & unearth the expertise, resources, and communal narrative of Flagstaff's African-American populace**
- ✕ **Six subcommittees focus on Social & Criminal Justice; Black Representation & Preservation; Black Youth Perspectives and Concerns; Black Economic Inclusion & Impact; Race, Space & Segregation; Mental & Behavioral Health**
- **The LBE Project presses forward to correct historical narratives, bolster the local economy by fostering minority enterprises, and being a substantial resource of positive programming for the enhancement of the entire city.**
