

NAU Math Placement Offsite Test Information

All NAU Math Placement Tests are required to be proctored and require a password to access. You will only be able to complete the test at a pre-approved testing location. The list of pre-approved testing locations can be found at nau.edu/MathPlacement.

Items to take with you to the testing center	
<input type="checkbox"/>	This document (so that the testing center knows what test you'll need to take).
<input type="checkbox"/>	A photo ID to verify your identity.
<input type="checkbox"/>	Your NAU user ID (example, abc123) and Password. <i>If you have trouble with your NAU user ID or password, contact (928) 523-9294.</i>
<input type="checkbox"/>	Testing center fee. <i>(Make sure to take the correct amount and correct payment method required. Many testing centers only accept cashier's checks and cannot accept cash or credit cards. It is your responsibility to pay any testing center fees.)</i>

This test is a web-based test, which is linked to your NAU student account.

To access the test and log in to the NAU test:

- Enroll at https://nau.edu/enroll_math_placement.
 - You will need to log in using your NAU log in and password.
 - The testing center has been forwarded the password and the proctor will need to enter the password when prompted.
- You will not be allowed to use calculators or formula sheets during the test. Scratch paper and pencils will be provided.
 - If you require additional testing accommodations due to disability, please contact the Disability Resources office at DR@nau.edu
 - Allow yourself enough time to complete the test, this is a timed test, and you are allowed up to 2 hours.
