

Part-Time Summer Track, M.S. in Clinical Speech-Language Pathology ~ CSD Course Sequence

Name: _____ NAU ID _____ Start Sem & Year **Sum'r 2023**

Course	Title	Credits	Semester/ Year Planned	Semester/Year Completed (& where if not NAU)
SUMMER – Year One				
CSD 541	Lang & Ltrcy Disorders: Assmt & Intrvtn Later Elem -12	3	_____	_____
CSD 556	Audiology for Speech Language Pathologists	3	_____	_____
CSD 531	Lang & Lrtcy Dvlmt & Disorders: Pre Sch–Early Sch Age	3	_____	_____
CSD 557	Phonological Development & Disorders	3	_____	_____
		12 Cr		
FALL/SPRING - Year One				
CSD 510 + CSD 510L	Clinical and Educ'l Methods in SLP + Lab (Online) - Fall	2 + 1	_____	_____
CSD 405*	Neuro Foundations of SLH (Online) – Spring	3	_____	_____
		6 Cr		
SUMMER - Year Two				
CSD 521	Communication Disorders: Birth – 3	3	_____	_____
CSD 551	Motor Speech Disorders	3	_____	_____
CSD 554	Quantitative and Qualitative Methods in SLP	3	_____	_____
CSD 651	Fluency: Diagnosis and Treatment	2	_____	_____
CSD 515	Augmentative & Alternative Communication for SLPs	1	_____	_____
		12 Cr		
FALL/SPRING - Year Two				
ELECTIVE	Pre-approved NAU course (Online)	3	_____	_____
ELECTIVE	Pre-approved NAU course (Online)	3	_____	_____
		6 Cr		
SUMMER – Year Three				
CSD 652	Voice & Resonance Disorders: Assessment & Treat.	3	_____	_____
CSD 558	Swallowing Disorders: Evaluation and Treatment	3	_____	_____
CSD 552	Aphasia & Right Hemisphere Disorders	3	_____	_____
CSD 653	Traumatic Brain Injury and Dementia	3	_____	_____
		12 Cr		
FALL - Year Three				
CSD 602**	1 st Clinical Practicum	3 Cr	_____	_____
SPRING - Year Three				
CSD 602**	2 nd Clinical Practicum	3 Cr	_____	_____
SUMMER - Year Four				
CSD 608***	Clinical Externship in SLP (12-wk term)	12 Cr	_____	_____
Total Credits Required = 63 (or 66* if CSD 508 is taken at NAU)			Anticipated Sem/Yr of Grad.	Summer 2026

Any request for change in this Course Sequence (CS) must be approved by the academic advisor. Any consequence relating to changes in this document are the responsibility of the student. The department reserves the right to change the order in which classes are offered.

*CSD 405 is prerequisite for CSD 551, CSD 552, CSD 558, CSD 652 and CSD 653. If the prerequisite was not previously taken, it is taken during Spring of year one. In this case, the total number of graduate credits required for graduation will increase by 3.

**Prerequisite for the 1st practicum is completion of all previous CSD academic coursework noted on CS, completion of all Foundational course requirements, and completion of 25 documented clinical observation hours. Prerequisite for each subsequent practicum is successful completion of the preceding practicum.

***Prerequisite for the externship is successful completion of all academic/clinical practicum courses and taking the Praxis exam.

Before EACH clinical experience, the CSD department must receive completed Practicum/Externship Information and Registration Checklist forms.

Part-Time Summers Track, Communication Sciences & Disorders Graduate Program

Name: _____ NAU ID _____ Start Sem & Year **Sum'r 2023**

Prerequisite Course Requirements

Undergraduate prerequisite speech-language courses have been satisfied by evidence of completed courses with grades on transcripts, as follows:

Course Content Area	Credits	Semester & Year Completed	Where Completed	Equivalent Course Name
Phonetics	3			
Anatomy & Physiology of Speech & Hearing	3			
Commun Development in Children	3			
Speech Science	3			
Hearing Science	3			
Neurological Foundations Speech, Language, & Hearing	3			
Audiology	3			

Foundational Science/Math Course Requirements

Undergraduate prerequisite foundational courses have been satisfied by evidence of completed courses with grades on transcripts, as follows:

Statistics (Standalone statistics course; research methodology not accepted; generally a course with the word "statistics" in the title from any department meets this requirement.)

Course Prefix & #: _____

Title: _____

Semester/Year: _____

Biological Sciences (Human or animal sciences for Biology majors. The introductory course for Biology majors (BIO 181 in Arizona universities) will meet this requirement. Lab not required.)

Course Prefix & #: _____

Title: _____

Semester/Year: _____

Physical Sciences (physics or chemistry)

Course Prefix & #: _____

Title: _____

Semester/Year: _____

Social/Behavioral Sciences (psychology, sociology, anthropology, public health)

Course Prefix & #: _____

Title: _____

Semester/Year: _____
