

HURA and Urdea Application Portfolio

Project Information

Title of Project:

Project Start Date: **Project must begin on or after July 1, 2022**

Project End Date: **Project must end by April 30, 2023**

Project Budget Total Request: **HURA maximum amount = \$3,500**
Urdea maximum amount = \$5,000

Does your project involve human subjects?

If yes, has the IRB determined whether your project is likely to be subject to review/approval?

Does your project involve vertebrate animals?

If yes, have you contacted the IACUC to find out what the requirements will be?

Application

Abstract (maximum 250 words):

Project Description (may not exceed 5 pages; see RFP for more details):

- a. **Introduction** to include the purpose/relevance of the project (e.g., research hypothesis to be tested, rationale for the creative/scholarly activity, problem to be investigated, etc.)
- b. **Potential Importance** statement of this creative/scholarly/research activity to the student, university, and the discipline
- c. **Methods** to be used to carry out project activities, including any relevant statistical analyses
- d. **Expected Outcomes** of the activity: What do you expect to find, learn, and/or produce as a result of conducting this project?
- e. **Dissemination Plan** for the results/outcome: If published, in what journal? If a presentation or performance, when, where, and to what audience? (Be sure to include the NAU *Hooper & Urdea Poster Presentations & Reception* and *Undergraduate Symposium* in your plan.)
- f. **Roles of the Participants** describing the expectations and responsibilities of student and those of the faculty mentor
- g. **FOR URDEA APPLICANTS ONLY.** In addition to completing the requirements for a HURA proposal as outlined above, Urdea applicants also need to answer the following questions (max 400 words): 1) How do you believe working as an interdisciplinary team (with students from different fields of study) will positively impact your project? 2) How will working as an interdisciplinary team benefit the team members and the discipline(s) of those involved?

Timeline:

Time Period	Activities, Accomplishments, Outcomes	# of Personnel Hours	Non-personnel Expenses
Summer Session II			
September-October			
October-November			
November-December			
Winter Break			
January-February			
February-March			
March-April
