IV. Budget Modification (if appropriate)

If you need to request a reallocation of your funding into different categories, please submit a new budget spreadsheet with a detailed justification for all line items, including the revisions. Use your original approved budget spreadsheet as a reference, edit the numbers in the budget lines, keep the original justification, and **add the revised justification** for the requested revisions. Note: Your budget should include what you have already spent and what you plan to spend. Email your revised budgets to ug-research@nau.edu.

V. Photographs and Bio (if available)

Please send photos of you working on your project, with brief captions. If you are willing to be featured in our Student Spotlight section of the Undergraduate Research newsletter, please also include a short bio about yourself, including a brief description of your research, why you decided to get involved in undergraduate research, your future plans, and any other fun facts you are willing to share.
