Notes:

- You can declare a Chinese minor with the 8 credits of CHI language and 10 credits of CHI culture you are receiving in the IGP plan.

- CCS 250 and CCS elective classes need to show relevance to the region. See Academic Catalog for details.

- CCS Junior Level Writing Requirement is considered satisfied once the subject major JLWR is completed.

Before going abroad, you must take:

-ARH 143, CCS 250, and one CCS 300 level elective

While abroad, you can take:

- NAU online courses, but this is difficult and not recommended
- Courses in the spring with your Fieldwork experience. This is uncommon unless you are in a hybrid program.

Honors: students can receive up to 10 H credits with IGP (LAN 340H, LANG 408H, and LAN 450CH). Honors students can use LANG 408H and LAN 450CH to complete their Honors Capstone.

Liberal Studies (LS):

Use your Academic Requirements Report to determine

which LS categories you have fulfilled.
