Past, present, and future

SPC ALUMNI SPOTLIGHT

The Student Philanthropy Council has had countless extraordinary members who continue to do great things. Here's a look at what one of those members is doing today!

Rebeca Robles

Photographed in the picture to the right is Rebeca Robles. Rebeca graduated in December 2018 and was a member of SPC for 4.5 years! In her time in SPC she was co-chair of the service committee, secretary, and then president of the council. She loved being a part of SPC throughout her college experience because it allowed her to volunteer with NAU and the community of Flagstaff while meeting incredible people that shared the same passion of giving back. Some of the highlights were all the council retreats, Halloween parties, and participating in Relay for Life. Since graduation, she has been working as a stormwater engineer with Stanley Consultants in Phoenix .
