COMMENCEMENT  
PROGRAM

NORTHERN ARIZONA UNIVERSITY

MAY 6 AND 7, 2022

# Message from the President

---

Welcome graduates, families, and friends,

To the class of 2022, on behalf of our entire university community, congratulations on earning your degree from Northern Arizona University!

To the families and friends who have joined in celebrating our graduates' achievements, your support has been foundational to their success and means so much to our Lumberjack family.

To the faculty and staff who serve our students throughout Arizona, thank you for helping all of today's graduates realize their goals.

We have all been looking forward to this day—a day to celebrate together through an in-person commencement. The time has arrived to break through the challenges of the past two years, to embrace the accomplishments of our extraordinary students, and to recognize all that our Lumberjacks contributed to the richness and vitality of NAU and our broader community.

Through your time at NAU, you built strong connections and defined your sense of community and purpose. You embody the distinctive excellence of a student-centered Lumberjack experience. And, you achieved goals that ensure you are ready for a future with boundless opportunities.

Your degree is the result of years of determination, hard work, and perseverance. We are confident you are ready to lean into and lead in a world that is searching for answers, knowledge, compassion, understanding, and justice.

You now join a diverse and successful worldwide alumni network. We are so proud of your success and are confident in the contributions you will make as NAU alumni, ambassadors, and lifelong members of our Lumberjack family.

Warm regards,

# Message from the Arizona Board of Regents

---

Dear graduate,

On behalf of the Arizona Board of Regents, congratulations on your graduation! Today is a turning point in your life—one which leads to a world of opportunity.

Your graduation from Northern Arizona University is a culmination of your hard work, dedication, and persistence. That work has prepared you for the demands of a modern economy and of a tumultuous world. As you begin your new adventures, please consider that continual learning will provide personal fulfillment and will ensure your skills remain in demand in our ever-changing world. Keep learning and broadening your horizons, not only through new knowledge, but by listening to others and discussing topics in a civil manner. Recognizing an individual's point of view and treating differing opinions as an opportunity to learn is crucial to making progress in our society.

We commend you for your perseverance despite the COVID-19 pandemic. The pandemic has affected your life for more than two years as the course of the virus continued to challenge both you individually and our broader university family. Every graduate deserves accolades for their resilience and sheer determination to learn in new ways, for keeping our campus as safe as possible, and for taking responsibility to serve our broader communities. We appreciate your commitment to your education, your university, and your fellow students.

Our board is proud of you. As an NAU graduate, you now represent our university and the ideals it stands for. Remember your alma mater—your friends, mentors, professors, and all who supported you along the way. You are forever part of the Lumberjack family.

We wish you the best for a future that is full of promise and possibilities. Go Jacks!

Sincerely,

Lyndel Manson

# Honorary Doctoral Degree

---

Honorary degrees, education's most prestigious recognition, are reserved for eminent individuals with state, national, or international reputations. Recipients are typically leading scholars, discoverers, inventors, authors, artists, musicians, entrepreneurs, social activists, and leaders in education, business, politics, or government. Occasionally, honorary degrees are awarded to people who have rendered lifelong service to the university through board membership, volunteerism, or major financial contributions.

The following pages recognize the 2021–2022 Honorary Doctoral Degree recipients for Northern Arizona University.

Northern Arizona University recognizes the commitment and contributions this individual has made to the arts and to education through his leadership by bestowing upon him an *Honorary Doctoral Degree*.

## **Dom Flemons**

*Songwriter and Grammy Winner*

Dom Flemons is a songwriter, multi-instrumentalist, producer, actor, slam poet, music scholar, historian, and record collector. In 2005, he graduated from Northern Arizona University with a Bachelor of Arts in English. He then became a co-founding member of the Carolina Chocolate Drops, with whom he won a Grammy for Best Traditional Folk Album.

Widely regarded as an expert musician on the banjo, guitar, harmonica, jug, percussion, quills, fife, and rhythm bones, Flemons recently launched a new season of American Songster Radio Show on 650 AM WSM Radio in Nashville, Tennessee.

In 2020, he was selected for the prestigious United States Artists Fellowship Award for the Traditional Arts category, supported by the Andrew W. Mellon Foundation.

In conjunction with the National Museum of African American History and Culture, Flemons released his critically acclaimed solo album *Dom Flemons Presents Black Cowboys* under Smithsonian Folkways Recordings in 2018. The album was nominated for a Grammy Award for Best Folk Album, a Blues Music Award for Best Acoustic Blues Album, and peaked at number four on the Billboard Bluegrass Charts. Flemons had his solo debut at the Grand Ole Opry and was selected by the Country Music Hall of Fame to be featured in the American Currents Best of 2018 exhibit. In 2020, he released a two-CD reissue with new material titled *Prospect Hill: The American Songster Omnibus*, the first wax cylinder recording release of the new millennium. Over the past 15 years, he's collaborated with hundreds of renowned musicians and has performed at prestigious venues around the world.

## **Nancy R. Parra-Quinlan**

*2022 Arizona Teacher of the Year*

*Junior High Teacher, Kino Junior High School*

Nancy R. Parra-Quinlan is the 2022 Arizona Teacher of the Year. She was the 2017 Air Force Association Teacher of the Year for Arizona and second runner-up nationally. A National Board-Certified Career and Technical Education (CTE) and science, technology, engineering, and math (STEM) teacher at Kino Junior High School in the Mesa Public School District, Parra-Quinlan has spent her entire teaching career advocating for students in Title I schools. She started the STEM program at Kino and teaches robotics, engineering, aeronautics, and biomedical forensics classes to seventh- and eighth-grade students.

Parra-Quinlan is also the director of the Mesa School District Aerospace Academy summer program, which provides sixth and seventh graders with experiences in flight and space activities. She earned both her master's degree in Elementary Education and her bachelor's degree in Elementary Education – Bilingual/Multicultural Education and English as a Second Language from Northern Arizona University.

She lives in Mesa with her husband, Dan, and has three children. Her two dogs, Olaf and Bear, are therapy dogs with the Mesa Schools' Pawsitive Peers program; they attend school with her several days a week for the social and emotional well-being of her students. As the 2022 Teacher of the Year, her platform is working toward equity in STEM for women and students of color since they are underrepresented in STEM careers.

## **Colleen A. Smith**

*President, Coconino Community College*

Dr. Colleen A. Smith began her tenure as Coconino Community College's fifth president on February 1, 2016. The District Governing Board chose Smith because of her extensive experience serving community colleges across the nation as an administrator, full-time faculty member, consultant, and presenter on Assessment of Learning at national conferences. She has a comprehensive understanding of the complexity of higher education leadership and a passion for serving students and their communities through the mission of the community college.

Throughout her career, Smith's focus on students and her collaborative leadership style have

been the driving force behind learning innovations and success initiatives, leading her to implement policy changes and launch new programs. Her in-depth understanding of both the national and state higher education environment, as well as her CEO experience with budgets and facilities, have all contributed to the realistic and results-oriented approach she brings to leadership in the comprehensive community college. Smith earned her PhD from Texas Woman's University and her bachelor's and master's degrees from Texas A&M-Commerce.

She currently serves on the Arizona Community College Coordinating Council (Chair 2018–2019), the Economic Collaborative of Arizona Executive Board, and the Northern Arizona Leadership Alliance. She previously served on the Arizona Commission for Postsecondary Education, was the Community College Chair of the statewide Undergraduate Education Advisory Committee for the Texas Higher Education Coordinating Board, chaired the North Texas Community College Consortium, and served on the Texas Association of Community Colleges Legislative Committee, working with state officials and legislators to increase the community colleges' span of influence in support of all students.

## **Mickey S. Urdea**

*Healthcare Consultant*

Dr. Mickey S. Urdea is founder and partner for Halteres Associates, a biotechnology consulting firm. He also founded and served as CEO of Tethys Bioscience (acquired by Health Diagnostic Laboratory), a proteomics-based diagnostics company that has been involved in the prevention of type 2 diabetes, and was chief executive officer of Quantum Dots Corporation (acquired by Life Technologies). Urdea is also a founder and chairman of the Catalysis Foundation for Health, a non-profit organization addressing gaps in global healthcare caused by inefficiencies in disease diagnosis and monitoring. Urdea is a member of the University of California at San Francisco

Leadership Council for the Institute of Global Health. He serves as a consultant to the life sciences industry and is on the scientific advisory boards and boards of directors of a number of biotechnology and diagnostics companies.

Prior to his current activities, Urdea founded the Nucleic Acid Diagnostics business at Chiron Corporation, where he pioneered viral load assays for the human hepatitis B, hepatitis C, and immunodeficiency viruses; his team introduced the first commercial viral load assays for all three viruses. Urdea also headed the Oncology Diagnostics business unit at Chiron. He then became senior vice president of the Molecular Diagnostics Group (MDG) and chief scientific officer at Bayer Diagnostics. He served as an advisor to the Bill & Melinda Gates Foundation for more than 15 years. Urdea is an author of more than 200 peer-reviewed scientific publications and has more than 125 issued and pending patents. He received his BS in Biology and Chemistry from Northern Arizona University, his PhD in Biochemistry from Washington State University, and had an NIH postdoctoral fellowship at the University of California, San Francisco.

# Marshals

---

Commencement Marshals are volunteers from the university community who lead the processional and recession of the stage party which includes academic leadership, faculty, and students. Marshals also direct the flow of students across the stage as graduates are congratulated by their Dean and the President. Marshals wear a white “Marshal” stole with their academic regalia during the ceremonies.

# The Academic Regalia

---

In the twelfth century, as scholars began to organize themselves into guilds called “universities,” a distinctive costume called the “scholar’s gown” also began to emerge.

The gown was originally black (to better hide ink stains) and voluminous for warmth. It also had a hood that could be pulled over the head for protection from rain and served in fair weather as a carrying pouch for such scholarly essentials as chalk, spare pens, or a boar’s tooth for smoothing the surface of parchment.

The square mortarboard worn today is a stylized representation of a stocking cap especially designed to hold a small book secure atop a scholar’s head.

Scholarly rank and discipline are indicated by the cut of the gown and colors of the hood and tassel.

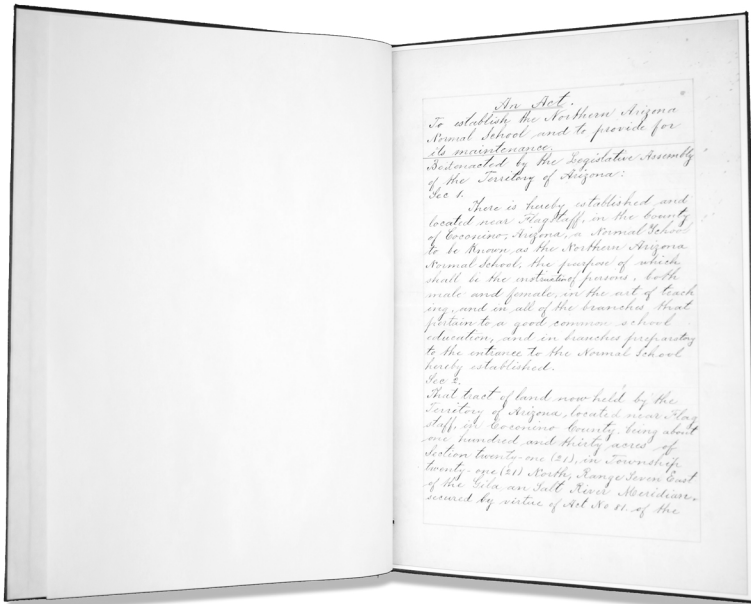

- A bachelor’s gown is blue and untrimmed, has pointed sleeves, and reaches only to the knees.
- The color of the tassels and the color of the silk/velvet band on the border of the hood indicate the discipline: white for arts, humanities, and letters; drab for accountancy, business, and commerce; lilac for dental hygiene; copper for economics; light blue for education; orange for engineering; brown for the fine arts, including architecture; russet for forestry; crimson for journalism; green for medicine; pink for music; apricot for nursing; silver gray for oratory (speech); dark blue for philosophy; sage green for athletic training, occupational therapy, and physical education; teal for physical therapy; kelly green for physician assistant; peacock blue for emergency management, community development/sustainability, and public administration, including foreign services; salmon pink for public health; golden yellow for science; and citron for social work.
- Students graduating from the Honors College wear a golden stole emblazoned with the word “Honors.”
- Bachelor’s candidates with a cumulative GPA in the top 5 percent of their college will be awarded Summa Cum Laude (With Highest Praise) and wear a gold honor cord.
- Bachelor’s candidates with a cumulative GPA in the top 10 percent of their college will be awarded Magna Cum Laude (With Great Praise) and wear a navy blue honor cord.
- Bachelor’s candidates with a cumulative GPA in the top 20 percent of their college will be awarded Cum Laude (With Praise) and wear a light blue honor cord.
- The master gown is blue and untrimmed but has closed sleeves in the shape of an arc.
- Master candidates who earn a 3.90 to 4.00 grade point average graduate “with distinction” and wear a royal blue and gold cord.
- Doctoral candidates wear a blue gown faced with blue velvet panels and three velvet bars on bell-shaped sleeves.
- Bachelor’s, master, and doctoral degree candidates graduating in the top 10% of their class are offered membership into the multidisciplinary honor society Phi Kappa Phi.

# The Charter

---

The origins of Northern Arizona University can be traced back to the 41st House Bill of the Twentieth Territorial Legislative Assembly of Arizona.

A bill dealing with a large, unfinished, territorial building south of Flagstaff was passed and signed into law on March 11, 1899, by Territorial Governor Nathan Oakes Murphy. The seven-page, handwritten bill laid the legal foundation for the creation of Northern Arizona Normal School, provided for the completion of the building that would become known as NAU's "Old Main," and provided the means for the future upkeep of the institution. Northern Arizona Normal School opened its doors on September 11, 1899, with an initial enrollment of twenty-three students and Almon Nicholas Taylor acting as president and one of only two faculty members. The document is included with other traditional elements at commencement as a physical reminder of the importance of education to early Arizona, and it illustrates the evolution of both NAU and the state of Arizona to the present day.

# Ceremonial Academic Mace

---

The mace was originally a weapon, made of iron and designed to smash an opponent's armor. It was carried in battle by princes and medieval bishops, who were forbidden by canon law to shed blood. Throughout the Middle Ages, the mace became a more elaborate weapon, and by the fourteenth century, it was carried by the king's bodyguard, the sergeant-at-mace, to protect the king's person. It thus became a protective symbol of lawful authority, and from it, the ceremonial mace emerged. Much like a scepter carried by royalty, the mace was a symbol of the power and authority of the city mayors and university rectors.

Like the rector of a medieval university, the modern university president is charged with the protection of the special mission that society has vested in higher education. The mission is the acquisition, preservation, and transmission of knowledge in the service of society. Thus, the academic mace symbolizes the academic sovereignty of the university and serves notice that the president will act to preserve and protect the mission of the university. To mark the beginning and end of the ceremony, the president of the NAU Faculty Senate brings forward and retrieves the academic mace.

The ceremonial mace of Northern Arizona University was created in 1979 by Dr. William F. Nietmann of the university faculty. It is forty-four inches long and has been designed to represent a number of organizations significant and distinctive to the state of Arizona. It is made primarily of Arizona walnut and incorporates a variety of materials characteristic of the state. The head is decorated with five minerals or stones, each inlaid with silver and set in a different wood, and is capped with malachite, a source mineral of copper, selected to represent the industry. Obsidian from the San Francisco Peaks represents the volcanic mountains, plateaus, and national forests so abundant in the area. Precambrian schist from the bottom of the Grand Canyon, about 1.75 billion years old, is set in juniper and represents Arizona's national parks. A fragment of metallic meteorite, set in aspen, was chosen to represent the American exploration of space by the astronomical observatories in Arizona and the US Geological Survey. The last mineral is turquoise, set in ponderosa pine, chosen to represent the Native American tribes of Arizona.

# Alma Mater

---

The Northern Arizona University Alma Mater was created by a young freshman named Ella Lee Marr LaPointe, who never suspected her work would go down in history. In 1931, Arizona State Teachers College sponsored an Alma Mater contest, and LaPointe, who did not know how to read or write music, simply put on a one-shot performance of her suggestion for the faculty judges. When the decision day came, a vocal quartet performed the chosen piece on stage and, when they began to sing, LaPointe was astounded to hear her own music, and even more shocked to receive the contest prize—a \$10 gold piece in a plush case.

Hail Alma Mater,  
Hail NAU  
Thy name forever  
A guiding light so true.

Strong as the pine trees,  
Our love will never fail,  
To thee, Alma Mater,  
Hail! Hail! Hail!

## Lumberjack alumni are at the heart of NAU's success

---

Congratulations and welcome to the Lumberjack alumni family! You are now a part of the vibrant and diverse NAU Alumni Association—a family whose spirit and determination are unrivaled.

Nearly 200,000 strong, the NAU Alumni Association is dedicated to your success as a thriving Lumberjack alum. This alumni community is committed to engaging, connecting, and celebrating your ties to NAU. Connect with alumni around the world during virtual events, harness the power of your Lumberjack network in your career, immerse yourself in True Blue spirit, and celebrate NAU's distinctiveness and its impact worldwide.

Class of 2022, you are a part of the Lumberjack family that shares strength, optimism, and kindness in the community. NAU alumni compassionately give back to their alma mater. Alumni mentor current students and recruit new ones. They empower the next generation to explore the unknown, launch dreams, and reach new heights throughout Arizona and the world. When alumni like you give back, you make an investment in the next generation of Jacks who will follow in your footsteps of success.

Your gifts of time, talent, and treasures will help NAU students achieve a boundless future. Gifts to the NAU Foundation support a place where students always come first and an environment of belonging and learning for all. Gifts to the NAU Foundation transformed Ivan's career trajectory; now, he's a member of the class of 2022 and is prepared to make a better world possible with #AxeOfKindness.

"I am proud to join the Lumberjack alumni family and pay it forward as a **Jack who gives back**. The scholarship, support, and mentorship I've received helped me navigate my transition to NAU. Without it, I would have missed out on my dream of serving others."

– Ivan Rubalcava, BS Nursing, '22
