

2023

COMMENCEMENT
PROGRAM

NORTHERN ARIZONA UNIVERSITY

MAY 12-13, 2023

Message from the President

Welcome graduates, family, and friends,

To the class of 2023, on behalf of our entire university community, congratulations on earning your degree from Northern Arizona University!

To the family and friends who have joined in celebrating our graduates' achievements, your support has been foundational to their success and means so much to our Lumberjack family.

To the faculty and staff who serve our students throughout Arizona, thank you for helping all of today's graduates realize their goals.

We have all been looking forward to this day—a day to celebrate together with family, friends, and mentors in Flagstaff at the Skydome. This moment is the perfect time to recognize the accomplishments of our extraordinary students, to celebrate the richness and vitality of our university community, and to reflect on all that our Lumberjacks do to enrich and give back to the communities they represent.

The degrees we confer today are the result of years of determination, hard work, and perseverance. In your time at NAU, your talent has been met with opportunity to realize its full potential, you have pursued meaningful educational experiences that will lead to careers of consequence, and you have cultivated a spirit of inquiry and engagement that will fuel lives of purpose. We are confident you are ready to lean into and lead in a world that is searching for answers, knowledge, compassion, understanding, and justice.

You now join a diverse and successful worldwide alumni network. We are so proud of your success and are confident in the contributions you will make as NAU alumni, ambassadors, and lifelong members of our Lumberjack family.

Warm regards,

A handwritten signature in black ink, appearing to read 'JLR', with a long horizontal flourish extending to the right.

José Luis Cruz Rivera
President

Commencement Program

Prelude	NAU Wind Symphony – Stephen Meyer, Conductor <i>Yagi Bushi</i> , by Naohiro Iwai <i>Tarantella</i> , by Carol Brittin Chambers <i>Odessa Bulgarian</i> , arranged by William Whitten <i>Concord</i> , by Clare Grundman “Huayno” from <i>Ritmos de La Tierra</i> , by Victoriano Valencia <i>March from 1941</i> , by John Williams “Waltz” from <i>Jazz Suite no. 2</i> , by Dmitri Shostakovich Music from <i>Star Trek</i> , by Michael Giacchino

Message from the Arizona Board of Regents

Dear graduate,

Congratulations on your graduation from Northern Arizona University! You've worked hard for this moment and we commend you for reaching this milestone.

Earning a college degree is one of the smartest decisions an individual can make in their lifetime. Through perseverance, persistence, and resilience, you've reached this moment and are now positioned to make your mark on the world.

As you begin your new adventure, keep lifelong learning a priority! It will broaden your horizons and ensure your skills remain relevant in our always-evolving world. Share your ideas with the world and remember to listen to others. Discuss ideas that are different than your own in a civil manner.

Recognizing an individual's point of view and treating differing opinions as an opportunity to learn is crucial to making progress in our society.

Be proud of your degree and the determination and hard work that brought you to this day. The board and universities are proud of you!

As an NAU graduate, you now represent our university and its ideals. Remember your alma mater—your friends, mentors, professors, and all who supported you along the way. You are forever part of the Lumberjack community.

We wish you the best for a future that is full of promise and possibilities. Go Jacks!

Sincerely,

Lyndel Manson

Honorary Doctoral Degree

Honorary degrees, education's most prestigious recognition, are reserved for eminent individuals with state, national, or international reputations. Recipients are typically leading scholars, discoverers, inventors, authors, artists, musicians, entrepreneurs, social activists, and leaders in education, business, politics, or government. Occasionally, honorary degrees are awarded to people who have rendered lifelong service to the university through board membership, volunteerism, or major financial contributions.

The following pages recognize the 2022–2023 Honorary Doctoral Degree recipients for Northern Arizona University.

Honorary Doctoral Degree

Northern Arizona University recognizes the commitment and contributions this individual has made to environmental protection and renewable energy through his leadership by bestowing upon him an *Honorary Doctoral Degree*.

Arturo A. Massol-Deyá

Executive Director, Casa Pueblo

Arturo A. Massol-Deyá is from the mountainous area of Puerto Rico in the municipality of Adjuntas, where his parents founded the community-based organization Casa Pueblo. Massol-Deyá grew up in this project and has chaired its board of directors since 2007. Casa Pueblo was responsible for protecting the central region and its critical watersheds from an open pit mining proposal, and later from a massive gas pipeline. Instead, new forest units, El Bosque del Pueblo and Bosque La Olimpia, were designated and have since been managed by the community initiative. These designations changed Puerto Rico's forestry policy, catalyzing an increase in

protected land area from 3.7 percent to 8 percent today. A graduate of the public school system in 1986 and the University of Puerto Rico in 1990, Massol-Deyá obtained his doctoral degree from Michigan State University in 1994. Since then, he has been a faculty member at the University of Puerto Rico at Mayagüez. After Hurricane Maria hit Puerto Rico in 2017, Massol-Deyá and Casa Pueblo founded a community assistance response that aims to change the energy landscape of a country dependent on fossil fuels to one based on renewable energy sources.

Honorary Doctoral Degree

Northern Arizona University recognizes the commitment and contributions this individual has made to the STEM field and rural education through his leadership by bestowing upon him an *Honorary Doctoral Degree*.

Ty White

Chemistry Teacher, Willcox High School

Ty White is an award-winning chemistry teacher at Willcox High School in Willcox, Arizona. He is the 2023 Arizona Educational Foundation's Teacher of the Year. White earned a bachelor's degree in chemistry secondary education from Arizona State University and a master's in STEM education from the Teachers in Industry program at the University of Arizona. White is a founding board member of InSimEd, a nonprofit that creates industry simulation challenges for students and is affiliated with Aerospace Education Corporation.

At Willcox High School, White sponsors the Science Club, the Solar Go-Kart Challenge, and the Knowledge Bowl. He is the Southeast

Arizona Cabinet Coordinator for the Chief Science Officers program and the Southwest Regional Space Settlement Design Coordinator. White received the 2020 American Chemical Society Teacher of the Year Award for Southeast Arizona and the Rocky Mountain Region. He was named the 2021 Rural Teacher of the Year by the Arizona Rural School Association and the 2022 National Rural Teacher of the Year by the National Rural Education Association.

White grew up outside of Globe, Arizona, and manages a small cow-calf operation with his wife and father-in-law. He competes in team roping and enjoys hunting, fishing, and working in his garden. He is immensely proud of his daughter Arya and grateful for all the support his wife gives him in these endeavors.

Honorary Doctoral Degree

Northern Arizona University recognizes the commitment and contributions this individual has made to private investment and educational philanthropy through his leadership by bestowing upon him an *Honorary Doctoral Degree*.

David P. Franke

Principal, Franke & Company, Inc.

David P. Franke is a principal at Franke & Company, a private investment firm based in Phoenix, Arizona. Franke & Company is a family office that invests capital into a diverse set of private, alternative investment opportunities. The company portfolio has included investments in operating businesses, private equity transactions, real estate, venture capital, biotechnology, and other alternative assets.

Franke has been with the firm since 1991. During his tenure, Franke has underwritten thousands of investment offerings, led the negotiations of company investments, and been active in the ongoing oversight of

portfolio companies and investments. When appropriate, he has served as a board director for portfolio companies.

Franke & Company is also active philanthropically, with a focus on supporting higher education. Franke is primarily responsible for these efforts, which include identifying philanthropic opportunities, assessing the merits of such gifts, and overseeing their impact. Franke is a board member for both the NAU Foundation and the University of Washington Foundation. He maintains active philanthropic committee roles at NAU, the University of Montana, the University of Arizona, and Arizona State University. His philanthropic service has also included serving as chairman of the Sojourner Center, an education committee member of Opportunity International, a committee member of United Way, and more.

Franke holds a BA in political science from the University of Washington and an MBA from Arizona State University.

Honorary Doctoral Degree

Northern Arizona University recognizes the commitment and contributions this individual has made to educational access, success, and equity through his philanthropic leadership by bestowing upon him an *Honorary Doctoral Degree*.

Bill Gates

Co-chair, Bill & Melinda Gates Foundation and founder, Breakthrough Energy

Bill Gates is co-chair of the Bill & Melinda Gates Foundation and founder of Breakthrough Energy. Gates founded Microsoft in 1975 with his childhood friend Paul Allen and led the company to become the worldwide leader in business and personal software and services. In 2008, Gates transitioned to focus full-time on the Gates Foundation's work to expand opportunity to the world's most disadvantaged people. As co-chair, he shapes and approves foundation strategies and sets the overall direction of the organization. Through the foundation, Gates has spent more than 20 years working on global health

and development issues including maternal, newborn, and child health; agricultural development; water sanitation and hygiene practices; pandemic prevention and disease eradication; and much more. Through his private office, Gates Ventures, he pursues work in Alzheimer's research and other healthcare issues, interdisciplinary education, and technology. At Breakthrough Energy, he's putting his experience as an innovator and problem-solver to work to address climate change by supporting the next generation of entrepreneurs, big thinkers, and clean technologies. In 2010, he, Melinda French Gates, and Warren Buffett founded the Giving Pledge, an effort to encourage the wealthiest families and individuals to publicly commit more than half of their wealth to philanthropic causes and charitable organizations during their lifetime or in their will.

Marshals

Commencement Marshals are volunteers from the university community who lead the processional and recession of the stage party, which includes academic leadership, faculty, and students. Marshals also direct the flow of students across the stage as graduates are congratulated by their Dean and the President. Marshals wear a white “Marshal” stole with their academic regalia during the ceremonies.

The Academic Regalia

In the twelfth century, as scholars began to organize themselves into guilds called “universities,” a distinctive costume called the “scholar’s gown” also began to emerge.

The gown was originally black (to better hide ink stains) and voluminous for warmth. It also had a hood that could be pulled over the head for protection from rain and served in fair weather as a carrying pouch for such scholarly essentials as chalk, spare pens, or a boar’s tooth for smoothing the surface of parchment.

The square mortarboard worn today is a stylized representation of a stocking cap especially designed to hold a small book secure atop a scholar’s head.

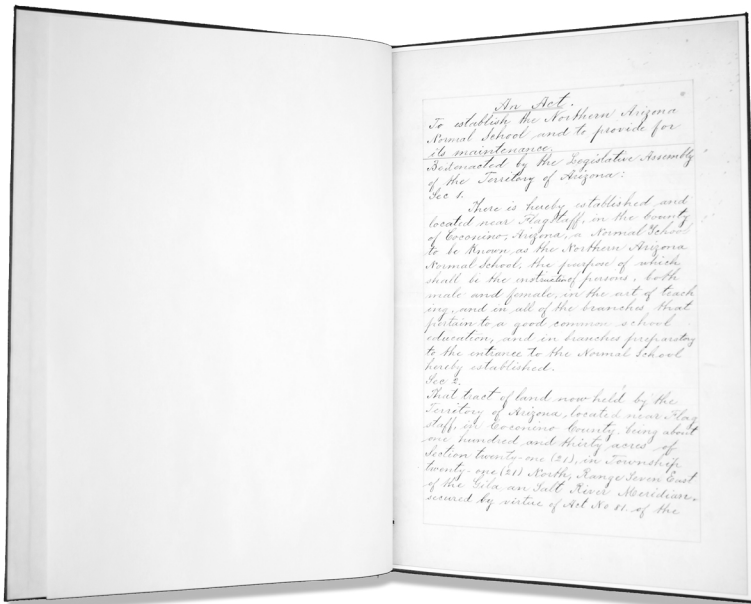

Scholarly rank and discipline are indicated by the cut of the gown and colors of the hood and tassel.

- A bachelor’s gown is blue and untrimmed, has pointed sleeves, and reaches only to the knees.
- The color of the tassels and the color of the silk/velvet band on the border of the hood indicate the discipline: white for arts, humanities, and letters; drab for accountancy, business, and commerce; lilac for dental hygiene; copper for economics; light blue for education; orange for engineering; brown for the fine arts, including architecture; russet for forestry; crimson for journalism; green for medicine; pink for music; apricot for nursing; silver gray for oratory (speech); dark blue for philosophy; sage green for athletic training, occupational therapy, and physical education; teal for physical therapy; kelly green for physician assistant; peacock blue for emergency management, community development/sustainability, and public administration, including foreign services; salmon pink for public health; golden yellow for science; and citron for social work.
- Students graduating from the Honors College wear a golden stole emblazoned with the word “Honors.”
- Bachelor’s candidates with a cumulative GPA in the top 5 percent of their college will be awarded Summa Cum Laude (With Highest Praise) and wear a gold honor cord.
- Bachelor’s candidates with a cumulative GPA in the top 10 percent of their college will be awarded Magna Cum Laude (With Great Praise) and wear a navy blue honor cord.
- Bachelor’s candidates with a cumulative GPA in the top 20 percent of their college will be awarded Cum Laude (With Praise) and wear a light blue honor cord.
- The master gown is blue and untrimmed but has closed sleeves in the shape of an arc.
- Master candidates who earn a 3.90 to 4.00 GPA graduate “with distinction” and wear a royal blue and gold cord.
- Doctoral candidates wear a blue gown faced with blue velvet panels and three velvet bars on bell-shaped sleeves.
- Bachelor’s, master, and doctoral degree candidates graduating in the top 10 percent of their class are offered membership into the multidisciplinary honor society Phi Kappa Phi.

The Charter

The origins of Northern Arizona University can be traced back to the 41st House Bill of the 20th Territorial Legislative Assembly of Arizona.

A bill dealing with a large, unfinished, territorial building south of Flagstaff was passed and signed into law on March 11, 1899, by Territorial Governor Nathan Oakes Murphy. The seven-page, handwritten bill laid the legal foundation for the creation of Northern Arizona Normal School, provided for the completion of the building that would become known as NAU's "Old Main," and provided the means for the future upkeep of the institution. Northern Arizona Normal School opened its doors on September 11, 1899, with an initial enrollment of 23 students and Almon Nicholas Taylor acting as president and one of only two faculty members. The document is included with other traditional elements at commencement as a physical reminder of the importance of education to early Arizona, and it illustrates the evolution of both NAU and the state of Arizona to the present day.

Ceremonial Academic Mace

The mace was originally a weapon, made of iron and designed to smash an opponent's armor. It was carried in battle by princes and medieval bishops, who were forbidden by canon law to shed blood. Throughout the Middle Ages, the mace became a more elaborate weapon, and by the fourteenth century, it was carried by the king's bodyguard, the sergeant-at-mace, to protect the king's person. It thus became a protective symbol of lawful authority, and from it, the ceremonial mace emerged. Much like a scepter carried by royalty, the mace was a symbol of the power and authority of the city mayors and university rectors.

Like the rector of a medieval university, the modern university president is charged with the protection of the special mission that society has vested in higher education. The mission is the acquisition, preservation, and transmission of knowledge in the service of society. Thus, the academic mace symbolizes the academic sovereignty of the university and serves notice that the president will act to preserve and protect the mission of the university. To mark the beginning and end of the ceremony, the president of the NAU Faculty Senate brings forward and retrieves the academic mace.

The ceremonial mace of Northern Arizona University was created in 1979 by Dr. William F. Nietmann of the university faculty. It is 44 inches long and has been designed to represent a number of organizations significant and distinctive to the state of Arizona. It is made primarily of Arizona walnut and incorporates a variety of materials characteristic of the state. The head is decorated with five minerals or stones, each inlaid with silver and set in a different wood, and is capped with malachite, a source mineral of copper, selected to represent the industry. Obsidian from the San Francisco Peaks represents the volcanic mountains, plateaus, and national forests so abundant in the area. Precambrian schist from the bottom of the Grand Canyon, about 1.75 billion years old, is set in juniper and represents Arizona's national parks. A fragment of metallic meteorite, set in aspen, was chosen to represent the American exploration of space by the astronomical observatories in Arizona and the US Geological Survey. The last mineral is turquoise, set in ponderosa pine, chosen to represent the Native American Tribes of Arizona.

Alma Mater

The Northern Arizona University Alma Mater was created by a young first-year student named Ella Lee Marr LaPointe, who never suspected her work would go down in history. In 1931, Arizona State Teachers College sponsored an Alma Mater contest, and LaPointe, who did not know how to read or write music, simply put on a one-shot performance of her suggestion for the faculty judges. When the decision day came, a vocal quartet performed the chosen piece on stage and, when they began to sing, LaPointe was astounded to hear her own music, and even more shocked to receive the contest prize—a \$10 gold piece in a plush case.

**Hail Alma Mater,
Hail NAU
Thy name forever
A guiding light so true.**

**Strong as the pine trees,
Our love will never fail,
To thee, Alma Mater,
Hail! Hail! Hail!**

Lumberjack alumni are at the heart of NAU's success

Congratulations and welcome to the Lumberjack alumni family! You are now a part of the vital and diverse NAU Alumni Association, a family whose spirit and determination are unrivaled.

Nearly 200,000 strong, the NAU Alumni Association is dedicated to your lifelong success as a Lumberjack alum. Our alumni community is committed to engaging, connecting, and celebrating you and your ties to NAU. Connect with alumni around the world for virtual and in-person events, harness the power of your Lumberjack network in your career, immerse yourself in True Blue spirit, and celebrate NAU's distinct impact worldwide.

Class of 2023, you are part of a Lumberjack family that shares strength, optimism, and kindness in the community. NAU alumni compassionately give back to their alma mater. Alumni mentor current students and recruit new ones. They elevate excellence, drive social impact, and create opportunities for the next generation of Jacks. When alumni like you give back, you ignite powerful changemakers who will follow in your footsteps of success.

Your gifts of time, talent, and treasure will help all NAU students achieve the bold future they desire. Gifts to the NAU Foundation support a place where students always come first and an aspirational environment of belonging and learning for all. Gifts to the NAU Foundation transformed the trajectory of Fatima and her family; now she's a member of the Class of 2023, prepared to make a better world possible with #AxeOfKindness.

"I'm so grateful for all the supporters like you who believed in my success as a first-generation student. You helped me take risks, step outside of my comfort zone, and achieve things I never dreamed were possible. Thanks to you, I'm charting a new path for my family and my community."

– Fatima Luna, Biomedical Science and Comparative Cultural Studies, '23

Unite with your Lumberjack alumni family to drive NAU's positive impact in the world, bolster kindness, and make an immediate difference at foundationau.org.

LAND ACKNOWLEDGEMENT

Northern Arizona University sits at the base of the San Francisco Peaks, on homelands sacred to Native Americans throughout the region. We honor their past, present, and future generations, who have lived here for millennia and will forever call this place home.
