Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

**** Due to the closure of Argosy University we accepted many students that were more advanced in their PsyD program and were able to transfer in up to 70 credits when they began our PsyD program in 2020. This will result in several students showing they completed the program in less than 5 years.**

Program specific credit transfer information is found on pg. 68 of the Clinical Psychology Doctoral Student Handbook
