

Choose any associate degree from your Community College to transfer to
NAU's [Bachelor of Applied Science in Applied Business Management](#)

(This program is accredited by the Accreditation Council for Business Schools and Programs.
<https://acbsp.org/>)

Unofficial Transfer Plan – 2024-2025

To be completed at the Community College:

Associate degree coursework. 64 units in an associate's degree transfer block. If you have been awarded an AAS degree from an accredited Arizona community college, NAU will accept up to 75 transfer units.

Students must have an associate degree, either completed or in progress, from a regionally accredited institution and the *associate degree must be completed prior to the awarding of the BAS degree*. The associate degree may be in any field within 10 years of your application to NAU.

[AGEC](#) Requirements: What is an AGEC? The Arizona General Education Curriculum (AGEC) is a 35 unit general education block that fulfills the same lower division general education requirement at all three state universities. May be incorporated into your associate's degree. Follow hyperlink for more information.

* Questions? Work with your Community College advisor and your [NAU Transfer Representative](#) to identify which community college courses transfer to meet NAU's degree requirements and to discuss reverse transfer, if needed to complete an associate's.

To be completed at Northern Arizona University (45-56 units):

Specialization Prerequisites (6 units):
BBA 290 Managerial Accounting and Financial Analysis
BBA 291 Economic Analysis and Business Law

Any course with a MAT or STA prefix, except MAT 101X, MAT 102X, MAT 108 or MAT 150.

BAS Requirement Electives (3 units):

Select one of the unused courses in the above four BAS Requirements blocks or from the following courses: BBA 201, BIO 301, BIO 302, CCJ 355, ESE 280, MAT 114, PADM 355, PADM 356, POS 303, SOC 365

[Applied Business Management](#) Specialization Requirements (21 units):

BBA 292 Fundamentals of Logistics

BBA 300 Principles of Management in a Global Economy

BBA 330 Supply Chain & Operations Management

BBA 380 Management for Environmental Sustainability and Durable Competitive Advantage

BBA 405 Entrepreneurship and Small Business Management

BBA 475C Applied Business Management Project

BBA 495 Managing for Organizational Quality and Excellence

General Electives, if needed.

Additional coursework is required if, after you have met the previously described requirements, you have not yet completed a total of 120 units of credit.

You may take these remaining courses from any of the academic areas, using these courses to pursue your specific interests and goals. You may also use prerequisites or transfer credits as electives if they weren't used to meet major, minor, or liberal studies requirements.

We encourage you to consult with your advisor to select the courses that will be most advantageous to you.

Accelerated Masters option:

With our 4+1 structure (4-year Bachelor's degree and 1-year Master's degree), a student can earn an undergraduate business degree in four years and with only one additional year of study, earn a Master of Global Business Administration degree.
