

Associate of Applied Science to
Northern Arizona University's [Bachelor of Science in Health Sciences - Allied Health](#)

Unofficial Transfer Plan – 2024-2025

To be completed at the Community College:

Associate of Applied Science in Allied Health Field:

Students must complete an associate degree at a regionally accredited community college or university in an allied health discipline and have a current state or national license that matches their allied health associate degree. Students may begin coursework at NAU while their associate degree and license are still in progress, but both must be obtained prior to enrollment in the final capstone course at NAU. Possible discipline or emphases include:

- Diagnostic Medical Imaging and Therapy
- Medical Assisting
- Occupational Therapy Associate
- Paramedic Care
- Physical Therapist Assisting
- Respiratory Care
- Surgical Technology
- General Allied Health

[AGEC](#) Requirements: What is an AGEC? The Arizona General Education Curriculum (AGEC) is a 35 credit general education block that fulfills the lower division general education requirement at all three state universities. Follow hyperlink for more information.

Additional course requirements that can be completed at the community college level:

HS 205 Foundations of Public Health

PSY 101 Introduction to Psychology

These courses are requisites for required NAU courses.

Additional transferable credits, if needed, to reach maximum possible transfer of 90 credits.

*Questions? Work with your community college advisor and your [NAU Transfer Representative](#) to identify which community college courses transfer to meet NAU requirements.

To be completed at Northern Arizona University (30 credits):
