NAU’s Residency for Tuition Purposes policy is available at nau.edu/university-policy-library/residency/

In Arizona, as in all other states, tuition at the State’s publicly-supported universities is lower for in-state resident students than for out-of-state non-resident students. This reflects the fact that state universities are supported financially by the state’s taxpayers. The universities’ rules for determining classification or reclassification as a resident or non-resident for tuition purposes reflect Arizona law and Arizona Board of Regents (“ABOR”) policy. At the time of their admission, Northern Arizona University classifies all students as either a resident or non-resident. Students must be admitted and properly registered for classes using the tuition classification initially determined by the University prior to petitioning for residency reclassification for that term.

Additional residency information and forms are available at nau.edu/azresidency.

This affidavit is for Active Duty Military Members OR their spouse or dependent child that:

- are stationed in Arizona pursuant to military orders
- OR are stationed outside of Arizona pursuant to military orders AND the Active Duty Military Member claimed Arizona as their legal residence for at least twelve (12) consecutive months.

Honorary Discharged Veterans, Retired Military Members, Military Active Duty Members or Veterans using or transferring Chapter 33 (Post 9/11) benefits to Dependent: DO NOT complete this form.

Please contact the Veteran Success Center for further information:
Phone: (928) 523-8387 Email: Veteran.Center@nau.edu Website: nau.edu/veterans

In accordance with Arizona law (A.R.S. §15-1803) and ABOR Policy 4-102, a person who is not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state resident for tuition purposes.

Deadlines – Term specific deadlines can be found at nau.edu/azresidency.

- The deadline request reclassification is the Last Day of Registration. Students who fail to submit a petition or affidavit within the allowable timeframe waive their right to gain reclassification as an in-state resident for that semester, term, or session.
- Processing time for petitions is twenty (20) business days. If additional information is needed the process may be delayed.
- No extensions of payment deadlines are granted on the basis of unresolved residency status or pending petitions. A refund of fees will be issued, if necessary, upon approval of resident status.

Last Day of Registration: the final day of regular registration for credit for a semester, term, or session (as applicable) as published by the Office of the Registrar or as determined by the Executive Director of the Student Service Center.

Student Athletes
If you are a Student Athlete, currently classified as Non-Resident or WUE, and receiving any scholarship funds from the Athletics Department, you must speak with the Athletics Compliance Officer before submitting this petition.

Becoming a Resident for tuition purposes could negatively impact your Athletics Scholarship.
Instructions
Respond to all questions and statements and provide copies (no originals, these documents will not be returned to you) of all documentation required. Failure to do so will delay processing of this petition and may be interpreted as evidence of non-residency.

Falsification: Any student found to have intentionally made a false or misleading statement or to have deliberately submitted false or misleading information or materials concerning a petition for residency classification for tuition purposes with the intent to deceive is subject to dismissal from the University and will be held responsible for the payment of any tuition amounts that would have been charged but for the false or misleading statement.
