NAU’s Residency for Tuition Purposes policy is available at nau.edu/university-policy-library/residency/

In Arizona, as in all other states, tuition at the State’s publicly-supported universities is lower for in-state resident students than for out-of-state non-resident students. This reflects the fact that state universities are supported financially by the state’s taxpayers. The universities’ rules for determining classification or reclassification as a resident or non-resident for tuition purposes reflect Arizona law and Arizona Board of Regents (“ABOR”) policy. At the time of their admission, Northern Arizona University classifies all students as either a resident or non-resident. Students must be admitted and properly registered for classes using the tuition classification initially determined by the University prior to petitioning for residency reclassification for that term.

Additional residency information and forms are available at nau.edu/azresidency.

- This affidavit is students who have participated in the AmeriCorps program or the Volunteers in Service to America ("VISTA") program for at least one year in Arizona.

In accordance with Arizona law (A.R.S. §15-1803) and ABOR Policy 4-102, a person who is not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state resident for tuition purposes.

Deadlines – Term specific deadlines can be found at nau.edu/azresidency.

- The deadline to request reclassification is the Last Day of Registration. Students who fail to submit a petition or affidavit within the allowable timeframe waive their right to gain reclassification as an in-state resident for that semester, term, or session.
- Processing time for petitions is twenty (20) business days. If additional information is needed the process may be delayed.
- No extensions of payment deadlines are granted on the basis of unresolved residency status or pending petitions. A refund of fees will be issued, if necessary, upon approval of resident status.

Last Day of Registration: the final day of regular registration for credit for a semester, term, or session (as applicable) as published by the Office of the Registrar or as determined by the Executive Director of the Student Service Center.

Appealing a Denial
In accordance with ABOR Policy 4-205 and as outlined in the Residency Reclassification Procedure, if an individual believes they have met the requirements to be classified as an in-state resident for tuition purposes and has been denied such classification, they may appeal their non-resident classification by submitting a Non-Resident Classification Notice of Appeal to the Student Service Center by the relevant deadlines published on its website. In no event will the University accept residency classification appeals later than thirty-five (35) calendar days from the applicable Last Day of Registration. Failure to file a completed and signed notice of appeal within the allowable timeframe shall constitute a waiver of the individual’s right to appeal their residency classification for that term.

Student Athletes
If you are a Student Athlete, currently classified as Non-Resident or WUE, and receiving any scholarship funds from the Athletics Department, you must speak with the Athletics Compliance Officer before submitting this petition. Becoming a Resident for tuition purposes could negatively impact your Athletics Scholarship.
Instructions

Respond to all questions and statements and provide copies (no originals, these documents will not be returned to you) of all documentation required. Failure to do so will delay processing of this petition and may be interpreted as evidence of non-residency.

Falsification: Any student found to have intentionally made a false or misleading statement or to have deliberately submitted false or misleading information or materials concerning a petition for residency classification for tuition purposes with the intent to deceive is subject to dismissal from the University and will be held responsible for the payment of any tuition amounts that would have been charged but for the false or misleading statement.
