

### Internship Overview:

The Bearizona Animal Care Internship is an opportunity for individuals to gain hands-on experience in a zoological setting. Internships are currently offered in two of three animal care departments; Program Animals and Fort Bearizona. This four month long internship aims to equip participants with the skills necessary to have a successful career in animal care. Under direct supervision of Bearizona animal care staff, participants will work as a part of the team to learn what it takes to manage a large collection of wildlife.

### Requirements:

- Must be 18 years or older
- Must pass a background check
- Must have a clean drug test on hire date
- Must be able to work for 4 consecutive months
- Must be able to lift 50 lbs, work in all weather conditions and on uneven terrain
- Must be able to work weekends and holidays
- Must have reliable means of transportation

### Preferred qualifications:

Applicants should be hard-working, dependable and a team player. Applicants must be adaptable as everyday brings new and exciting challenges. Animal care experience is not required but is a plus. Preference will be given to college students pursuing a career in an animal field.

### Job type / Expected hours of work:

Flexible hours over a 4 month period

### Compensation:

\_\_\_\_\_ This is a paid internship. Hourly wage will be based on skill and experience. Housing is not provided.
